TENTATIVE BUILDING PLAN TOLD

Antioch High School District wrestling champs -
Keith Larsen at 119 pounds and John Roberts at 98 pounds

Oakland Grade School First Step... The expansion of the Oakland Grade School has been slated as the first step in the tentative five year building plans now being studied by the Antioch Grade School Board, District 34.

At last Tuesday's Board meeting, Superintendent, Henry Meyer, presented the Board with some figures that were based on doubling the enrollment at the Oakland Grade School. The enrollment currently totals 550 and the expansion would move the figure to 1,100.

The following data related to the utility capacity at Oakland was compiled by architects Anderson, Rehder, and Yandre; based upon doubling the enrollment.

In regards to the water system, a new well would be necessary with a production capacity of 75 gallons per minute. The present heating system is adequate and no additional boiler capacity will be necessary.

The current electrical system at the site is inadequate to accomodate doubling the enrollment and area. There is also

a potential electrolysis problem related to the grounding of the present system. Commonwealth Edison has been requested to check this fault.

Septic system at the site will also pose some problems for the expansion. The percolation test holes were opened at Oakland. Two of these were near the ball diamond west of the building, four were located diagonally southeast of the building, and two were located north of the building. Mr. Garrison, from the Lake County Health Department, reported that the percolation tests on the holes southeast of the building and west of the building were favorable. The tests north of the building indicated that the soil there would require an additional 6,000 square feet system.

Mr. Garrison tested the present system and found a 2,000 bacteria count in the overflow. This is an illegal situation that will have to be corrected.

Based on these findings the Board decided that a reduction in the size of expansion might

QUESTION ON TOWNSHIP CANDIDATES

When Frank Benes, Peter Cleven, Herb Horton and George Olisar filed their petitions for Township auditors they failed to file their Economic Interest Forms with the County Clerk. This form is required to be filed the same time as the petition and before the January 29th deadline.

Because of the candidates failure to file the required form they may now be questioned and disqualified. If a citizen's complaint is made, a hearing will be held to decide the candidates eligibility for office. An electoral board will preside over this hearing. The electoral board in such a case consists of the Township Supervisor, the township Clerk and the oldest Auditor.

However, in this circumstance the Township Clerk, L.R.

Van Patten, and the oldest auditor, Harold Wilson, must both be disqualified they are both candidates in the up-coming elections. Therefore, two associated circuit court judges will preside at the hearing.

Township Clerk, L.R. Van Patten does not feel that the candidates eligibility will be contested.

He said, "I doubt that a citizen's complaint will be filed after the News Sun's article last Saturday on the economic interest forms. Also, there is a bill in the legislature right now that will change the filing date, if it is passed this week as scheduled, the candidates will be able to file and there will be no opposition. They (Benes, Cleven, Horton and Olisar) are going to be on the ballot."

VANDALISM: OLD AND NEW

On Tuesday, February 13th, the Antioch Grade School Board unanimously voted to authorize their Attorney to file suit on the Thompson Case, for the amount of \$500.00.

Mrs. Lee Thompson's two sons were involved with the vandalism that was committed at the Antioch Upper Grade School last June. At that time on two separate nights (June 5th and 6th) a group of grade school boys threw rocks and shattered

numerous windows at the school.

This little frolic cost the school approximately \$1,300. But the figure does not include the cost of boarding up the windows and the overtime hours put in by maintenance personnel to clean up the damage.

In addition to the glass damage several cannister type smoke bombs were hurled into the building scorching the floor tile.

The Antioch Police Department did not lose much time and were able to apprehend the vandals who struck on both nights.

At that time the six juveniles who were involved, were placed on supervised probation and their parents promised to make restitution for property damage.

Four of the boys families have either completely paid for their

VANDALISM: OLD AND NEW continued

share of the damage or have begun making installment payments on their debt. The Thompson Family has not made any effort to pay for their two sons damage.

In November of 1972 the Board authorized Superintendent Henry Meyer to send a letter to the State's Attorney in hopes that his authority would bring some results. There has not been a reply from the letter as yet and in that spirit the Board moved to take official action and a suit will be filed

against the Thompson's.

Vandals Hit Busses

There was new vandalism committed within the past few weeks at the Antioch Grade Schools. On January 29th, 14 first aid kits were removed from the busses. These kits were valued at \$8.50 each and were taken from all of the busses as were all of the gear shift knobs. Fire extinguishers were removed from some of the busses. The school at this time has no idea who was involved in this new act of vandalism.

TENTATIVE BUILDING PLAN TOLD cont.

in the size of expansion might be advisable and directed Superintendent Henry Meyer, to study the Oakland site in relationship to a six classroom addition. A six classroom expansion would make room for an additional 200-50 students.

For over a year now a tentative five year building plan for the grade school system has been under consideration. There is a need for more building space prior to September of 1974 and arrangements must be made in advance in order to provide the needed space at that time. The current enrollment in the kindergarten to eighth grade program is 1,750 and the projected for the year of 1974 is between 1,900 and 2,000. This figure is a conservative one, however and is based on past growth.

Originally, the first step of the tentative plan called for a new neighborhood school to be built someplace close to North Avenue and west of Antioch. It was hoped that this new school would allow for the return of the children now attending the Oakland School from Oakwood Knolls to the Antioch school, thus relieving the Oakland school. The new school is slated to be a three section school (this

means there would be three kindergartens, three first grades, three second grades...), and would house approximately 500 students.

Plans for the new school were moved into the second phase of the tentative building plans, due to the fact the proposed area is not yet part of the sewage and water treatment plant. However the school is tentatively being planned for that area and will be needed by September of 1975.

Mr. Meyer said, "It is hoped that by this time we will have made internal modifications of the Antioch Grade School and the Channel Lake Building to meet state requirements such as a library center in the Antioch Grade School."

In relationship to the Antioch Upper Grade school, Meyer said, "By 1976 the planning and contractual stages for the addition for the Antioch Upper Grade School should be well advanced."

Plans at the present time are not to the point where the Board can establish a specific date for a public presentation. However, when the tentative plans have been completed the Board will take them to the people and a Bond Issue Referendum will be held.

MAYOR TOFT ANSWERS

THE ANTIOCH NEWS has compiled a list of questions they feel are pertinent to a prosperous future in Antioch. These questions were then submitted to all three of the mayoral candidates. Out of the three candidates only Mayor Toft chose to submit his answers to us. We will continue to publish Mayor Toft's answers to the questions we submitted.

The Staff of THE ANTIOCH NEWS purposely selected the questions on subjects that are of vital importance to our fine community of Antioch.

QUESTION: Off-street parking or rather the lack of it on the East side of Main Street has been a problem in the Village for the last 10-15 years, can you offer any solutions that will rectify the problem in the near future?

"I have a three part program regarding the parking facilities

on the East side of Main Street:

1. That we are in the process of purchasing improved parking facilities on the East side of Main Street and on Orchard Street.

2. The completing of the work already started during my administration, namely, the filling and grading of the vacant lots immediately behind the stores on the East side of Main Street and continuing cooperation between the Village and the retailers towards the modernization and improvement of the rear portions of their buildings and the parking facilities on the rear portions of their property.

3. I will propose a through street from Park Avenue to Depot Street which will provide better access to the parking facilities at the rear of the stores.

QUESTION: Is it your feeling that the retail section of Main Street has taken a favorable

course within the last few years?

Yes. The reason being that the merchants on Main Street have in the past number of years been constantly upgrading and improving their facilities and I will, of course, continue to work with the merchants in any problems they may have with government bodies regarding the improvements of their property.

QUESTION: Can you offer any suggestions to improve the appearance of Main Street?

Yes. However, I think we should first state that compared to other towns in the area, Main Street is, from an aesthetic point of view, a good looking Street. However, I feel that by working on a comprehensive sign ordinance and by working with the Chamber of Commerce, we can continue to upgrade and beautify Main Street.

VILLAGE BOARD HAS MANY IRONS IN THE FIRE

The Village Board has many irons in the fire as of last Monday night's meeting.

A committee was appointed to work with the Village Clerk Marilyn Sterbenz to investigate the possibility of securing a federal grant for recreational purposes. The committee consists of Irving Walsh, Arnold Weber, and Marge Nelson.

Another committee, consisting of these same members

was appointed to work on mosquito abatement in the Village.

The board authorized the Village Attorney to draw up an ordinance to control clothing box drops in the Village.

The Board will also be investigating the possibility of additional fire protection for the new businesses on Rte 173 just East of Antioch. There is a chance that a new water line will be run from the well to the

new area.

And lastly, Village Clerk, Marilyn Sterbenz was authorized by the Board to sign the formal agreement instituting an interim census for the Village with the U.S. Department of Commerce, (The Bureau of Census). The initial cost of the census will be \$1,695 which is based on the population estimate of 3,500.

The cost of the census will be covered by the Jewel Food Store on Lake Street who requested the census be taken in hopes of securing a liquor license if the population has increased a sufficient amount.

In my column last week I reported Jim Morgan as taking a fourth place in the wrestling meet. Jim took a third place. I'm sorry about that, Jim.

John Bjork surprised his family by coming home from school Friday night to spend the week-end. John didn't have classes on Monday in observance of President's Day.

Nancy Harland celebrated her 10th birthday on Friday evening with a roast beef

dinner party for her friends. Attending were Laurie Hucker, Janet Bjork, Lorna Whitton, Betsy Doty, Beverly Givens, Julie Morris, Kim Conklin and Kathy Bailey. The girls enjoyed games and the traditional cake and ice cream. On Sunday, Nancy and sister Jill were treated to a day at the Milwaukee Conservatory and Museum by their parents Pat and Dick Harland. Highlight of the day was dinner at Nancy's favorite eating place - McDonalds!

Happy birthday on February 22 to Jean Soby. Jean teaches 2nd grade at Channel Lake School.

Howard 'Bud' Scott, former

EDITORIAL

BE A GOOD NEIGHBOR

by Chief of Police, Jack Wells

When your neighbor leaves his home and property for any length of time it is a good and proper idea to notice any unusual occurrences. If you see anyone in your neighbors yard or in the area of his house call the Police immediately and give them as much information as you can and wait until the Police arrive before going outside. You should always remember that these so called house burglars are in most cases a sneak thief, and one of the lowest types of vermin in our society. They will steal and destroy your family treasures-heirlooms by selling or merely throwing them away if they can't find a ready buyer for them. In most cases this type of thief will dump out drawers, closets, etc. and cause havoc in your private quarters. This is a very bad experience for anyone to face on returning to their home after a night out or a vacation.

In most cases this unpleasant experience can be avoided by a neighbor who will leave his television program long enough to look out on his neighbor's property if he hears or sees anything unusual. As we stated above, just report this to the Police by phone giving all pertinent information. Please do not try to apprehend or make any contact with these sneak thieves as they are capable of hurting you with any object or weapon at their disposal.

If any vehicle is used, please try to get a license number or at least a description of the vehicle and its direction of travel.

By being a good neighbor and following these guidelines, you may alleviate all the heartache and discomfort many of your friends and neighbors have experienced through their loss of personal property and finding their homes ransacked.

Keep your porch and yard lights on, be observant and call the Police immediately if you have any idea there is someone in your area. Let's all try this starting right now, and maybe we can eliminate this type of thing in Antioch before it gets started as it has in so many other peaceful towns in this day and age.

These words of wisdom were written by Chief Wells, in hopes they will be taken to heart and prevent any catastrophe such as mentioned above from occurring in the future. A special thanks, Chief Wells.

Many instances this week have been brought to our attention for us to relay to you, the public, concerning Snowmobiling. No one knocks a good time - But - the picture above is of a sign that says "No Snowmobiling" and tracks are not five feet away.

A phone caller informed us that snowmobilers deliberately ran down 5 evergreen bushes at the Evangelical Free Church. Other churches in the area have been harassed by snowmobilers who buzz in the parking lots during church services also.

This is irresponsible, senseless and criminal and it is about time some people take a good long look at their actions. Heavily populated areas are not the place for snowmobilers to buzz around at 1 a.m.

Laws aren't always pleasant but irresponsible people generally make it necessary for them to be put in effect. There is a time and a place for everything. Please put your snowmobile in its proper place!

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

To the Editor;

Found the enclosed in a Wisconsin Dells paper some time ago. Thought it might be given a spot in your paper sometime. It might also serve as an inspiration for our police force.

Thank you
Marge Warner
(mother of three sons)

(The following letter was written by the mother of five children, the wife of a Colorado minister. Her name is unknown, but the letter was written to the sheriff of the county where she lives. It has been reprinted in several newspapers, including the Phillip's Bee, where it was noticed by Mrs. Robert L. Carlson, Wisconsin Dells.

"One of the most common phrases heard in our society and our city today is 'police brutality'. Perhaps I don't understand the meaning, but I would like to give you one mother's viewpoint on this subject.

To begin with, I should first tell you that I have two teenage sons, and being a mother, I cannot help but want the very best of everything for them. I am a typical mother in that I

don't want to see them hurt by anyone. I am not a typical mother, for I see things many mothers never heard of, much less become involved in, because my husband is a minister and we see the very best and sordid worst.

I would like for you to be brutal with my sons. Is that a surprise? If you find them speeding in a car, please be brutal. I have sat at a hospital holding a grieving mother's hand because of someone's mistake. That was brutal. I have gone with my husband to tell a wife her husband was killed. That was brutal. I have played organ music at funeral services for babies, teenagers, and adults because someone drove too fast. That was brutal. I have helped nurse a beautiful teenage girl crippled in a wreck. That was brutal.

If you should catch my underage sons with liquor in their possession, please be brutal.

I have sat all night by my husband's side trying to piece together two underage young men's lives, both broken by drinking. That was brutal. I have listened to the horrors experienced by another man while he was drunk and heard him recall the many jails he had served time in for this. That was brutal. I have helped feed hungry children because a drunk father didn't come home. That was brutal.

I have tried to console a mother whose daughter was killed after being struck by a drunken driver. That was brutal.

If you should find my sons with drugs in their possession,

McClory Expresses Concern About POWS AND MIAs

Congressman Robert McClory is deeply concerned about the families of those prisoners of war and men missing in action whose names have not appeared on lists supplied by North Vietnam. At the same time, he expressed his gratitude and joy for those who have been identified and whose families have been notified of their early release.

Most POW and MIA families are maintaining close contact with the Pentagon. Additional inquiries may be directed to Congressman McClory at his Washington or District offices as follows: Room 2452 Rayburn House Office Building, Washington D.C. 20515. (202-225-5221; Lake County-Post Office Building, 326 N. Genesee St., Waukegan 60085 (312-336-4554).

Office Hours

please be brutal.

I have tried to rehabilitate a woman just out of prison for shooting her husband while she was drugged. That was brutal. I have seen a handsome young man turn into an old ugly one because of drugs. That was brutal. I have seen a young mother who was addicted to a drug scream and rave for lack of a 'fix'. That was brutal.

I have seen a school and its marvelous equipment torn apart by young vandals. That was brutal. I have wiped a little boy's years and helped him hunt for his stolen bicycle. That was brutal.

If you should ever catch my sons doing anything illegal, please, please be brutal! I have come to realize that your kind of 'brutality' cannot in any way compare with the brutality that comes from breaking our laws.

My husband and I have tried to teach our sons that their rights end where someone else's begin. We believe they have learned this lesson, but in case they forget, we look to you and others who influence their lives - teachers, coaches, etc. - to see that they remember.

I do not want my two sons to grow into two grown-up boys. I want them to become men, able to assume their places in this world, and make good contributions to it. I sincerely hope they won't need your help but if they do, and if you must, then be brutal."

KAREN'S JOURNAL TRACES STUDENT TEACHING EXPERIENCES

"Student teaching" or "practice teaching" is a familiar term. It's the period of on-the-job training that a college student undergoes as part of the requirement for becoming a certified teacher.

However, few who have not experienced it themselves realize fully just what an extensive metamorphosis of self concept, and a tremendous maturing process, is involved in those few short weeks.

A Cornell College senior, Karen Sheehan of Lake Villa, Illinois was one of many hundreds of American collegians who did their student teaching during the past semester.

An English major, Karen taught mass media and poetry analysis to sophomores, juniors and seniors at Monticello (Iowa) High School for seven weeks. Her supervising teacher was Mrs. Donald (Alice) Smith of Central City.

Karen kept a journal, recording important personal highlights in her transition from lifelong student to emerging teacher. While each student teacher's reaction is individual, in many ways Karen's journal speaks for all.

The daughter of Mr. and Mrs. Warren Sheehan, Karen was graduated from Antioch Community High School in June 1969. At 21, she was only about three years older than some of the high school seniors she was to teach.

The first day of student teaching found Karen a mixture of apprehension, nervousness, hope and excitement. "It seemed as if I myself were back in high school," she wrote in her journal. "But after only a few hours, I realized just how much I have changed."

She continued, "Perhaps I cannot tolerate the immaturity of these young people. Perhaps I will find that I am not able to present information in a way high school students will understand."

She had other doubts, too. "I do not expect all students to be receptive. And I realize that I might not get the respect given to 'real' teachers. But I hope I deserve some respect when I have finished."

After the first week, changes in her outlook were apparent. Karen wrote, "I no longer feel like a part of the student body at all. Now it seems that I can really teach these young people something... They want me to be their friend, but not as a 'pal.'"

"They call me Karen, rather than Miss Sheehan.... But I think this does not lessen their

respect. It is the way I act toward them, not how they address me, that decides whether they will learn from me."

Motivating her students was a major part of the teaching process, Karen learned. Midway in the seven weeks, she wrote, "They want to learn, it seems, yet they do not have the 'energy' to do what is necessary. I must guard against 'spoon feeding' them."

The journal shows Karen's growing personal involvement with her teaching. "It's funny to note what little things make me so happy these days. When a student takes special interest in something we are discussing, it's as if I were given a huge present."

"Just a smile of understanding is enough to keep me going for the rest of the day," she continued. "And questions, too, mean so much to me. Only if they ask questions do I know they are trying to learn."

As her student teaching drew toward its close, Karen was able to reflect with greater understanding on current educational issues, such as the grading system and modular scheduling.

She wondered, "Should I give a student a good grade because I know he has worked particularly hard on this project, even if his work is not as good as someone else's? She had no satisfactory answer, yet.

About modular scheduling, Karen observed, "It gives students a great deal of unscheduled time which can be used as they see fit. Many use it as 'free' time to congregate with their friends. I would have to say I am not fully convinced of its worth."

However, she was also quick to take into account her own limited experience with this form of scheduling, and the fact that it was being used at Monticello for the first time.

Then the seven weeks ended, and Karen's outlook was enthusiastic. "I am more anxious than ever to teach," she wrote. "This experience has proven to me how much can be accomplished by a teacher who is a friend, a guide and a model...."

"I think it will take a class of my own to show me whether I can be a good teacher or not. Student teaching has shown me what it might be like, yet these classes were not my classes."

Not her classes - maybe Karen was right, technically speaking. But on the afternoon of her last day at Monticello, a student asked her to come to the

Cornell College senior Karen Sheehan of Lake Villa, Ill., did seven weeks of student teaching at Monticello (Iowa) High School this past semester. During this time she kept a journal to record her personal reactions. Here she discusses ideas for videotape shows with some of her students in a mass media class.

home economics room "to see a sewing project."

Instead, she found at least 100 happy students assembled to give a surprise farewell party for her and two other Cornell student teachers. Karen's students gave her a certificate for a 1972-73 Monticello yearbook.

She had indeed gained both their respect and their friendship, and her teaching career had been successfully launched.

HIGH SCHOOL BOARD MEETS

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois, 60002, will be held on Wednesday, February 21, 1973, at 7:30 p.m. in the General Office.

Although her students - some of whom were only three or four years younger than herself - called her Karen rather than Miss Sheehan, the Cornell student teacher felt that she had their respect as well as their friendship.

PARENTS SPEAK OUT

A recent survey conducted by the Antioch Community Consolidated School District No. 34 indicated there is overall support on the part of the parents in regard to the "personalized education" program being carried out in the grade schools. Satisfaction with the present transportation system, lunch services, and the administrators themselves was expressed.

The School district asked some 1,750 parents to complete a questionnaire at the time of the parent-teacher conferences. Approximately 300 of these forms were returned. The parents were asked to keep in mind when completing the forms that "It is the job of the schools to do the best they can for all children - children of different ability and interest levels, and that most of the children now in the grade school will spend a great part of their adult lives in the twenty-first century."

The results were as follows:

77 percent rated the general over-all actions of the Board of Education during the year as satisfactory and 12 percent indicated dissatisfaction. 11 percent said they didn't know.

87.5 rated the general over-all actions of the school administrators during the past year as satisfactory. 4.5 percent indicated dissatisfaction and 8 percent didn't know.

The teaching staff was rated as 95 percent satisfactory, while 2 percent of the parents indicated dissatisfaction and 3 percent didn't know.

84.1 percent as opposed to 15.9 percent of the parents feel that the present school offerings (1972-73) are giving their children an opportunity for a good well-rounded education for the future.

85 percent of the parents judged the hot lunch services during the past year as good, 10 percent fair, 2.5 percent didn't know, and 2.5 percent rated it as poor.

The school transportation services received a rating of 91 percent good, 7 percent fair, and 2 percent poor.

Fifty three percent of the parents feel the school system is giving "enough" attention to

CURNES PROPERTY IN FINAL STRETCH

On Monday night the Antioch Village Board scheduled a special meeting to review the Curnes property. The meeting was scheduled for Monday, February 26th at 8:00 in the Village Hall. At that time the Board will meet with the developers of the Curnes property with hopes of coming to a decision on whether or not they will grant the developers a special use permit under the R-4 Zoning.

Village Engineer, Frank Angelotti and engineers from the firm of McClure-Leckman will be present at the meeting.

the ability differences and interests of the children. 28.5 percent feel not enough attention is being given, and 20.5 percent indicated they didn't know.

The parents were asked, "If the schools could find a way to tell you, generally, how your child's work compared with other children his age and, also, how much progress was being made, would you agree to doing away with grades?" 56 percent of the parents said yes or probably yes they would, 35 percent said no, or probably no and 9 percent of the parents said they didn't know.

To the question, "Which would you prefer, a school program where all children were given the same assignment, or one which gave assignments according to each child's ability?" 85 percent of the parents said assignments should be given according to ability, and 10.5 percent of the parents felt the same assignments should be given to all.

And lastly to the question, "Which would you prefer, a school program where all children were expected to accomplish the same things at each grade level, or one which allowed children to progress up through the grades at their own rate?" 82 percent were in favor of a program which allows progress through the grades at the child's own rate, and 18 percent favored a program where all children are expected to do the same things at the same grade levels.

Along the Way with

Annie Mae

Snowmobilers are sure in their glory. BUT - why do adults act like such "mules" when "out to play"? Seems to us you can have fun but still respect other people and their property. Lets wake up and not let a few spoil it for so many.

Lots of social events coming up. Remember the Antioch Grade School Fun Fair on Sunday, February 25 from 1-6 pm at the Lower Grade School on Main Street.

The Rotary Wild Game Dinner will be held on February 24 at St. Peter's Church. Get your tickets now.

This is the last week-end for PM&L's Plaza Suite - Friday & Saturday - phone 395-9702 for reservations.

And March 18 is the ticket deadline for the St. Peter's VIP Dinner. This year the honored guest is Albert Dittman. Tickets are available at the banks.

Get well wishes this week go to Mr. "Cap" Radke. He is in Room 372 of Victory Memorial Hospital and the days get long. Remember him with a card or a visit. Also get wells go to Dr. Abderholden. Our prayers are with you for a speedy recovery.

Happy birthdays are in order for Jean Soby and Bunny Michovilovich who celebrate on Feb. 22. For Paula Becker whose special day is the 25th and special wishes go to Richard Ohlgren who will be 70

on the 27th of February. He is the co-founder of Felters Subdivision.

Emily and Frank Benes Sr. will be celebrating their anniversary on February 23. Congrats!!!

February 24 is departure day for Our Pillsbury Bake-off Queen - Peggy Van Patten. hear tell they will be on TV on Tuesday February 27 at 3 pm. WE ARE PROUD OF YOU PEG!!! GOOD LUCK!!!

Vandals broke into Louise Gutowski's car at the bowling alley on Monday night. They smashed the window on the driver's side but didn't get anything.

Get wells to Carrie Irving and Jane Meyer who are in Victory Memorial Hospital.

Pete and Irene Cleven and family are back from a super weekend of snowmobiling in Sugar Camp Wisconsin at Karen and Ed Ring's place.

Sporting a terrific tan and a well practiced golf swing are LaVerne Woods, Ray Jensseh and Dick Ericksen. Just back from a trip to Hawaii with their wives where they toured 4 of the Islands.

See ya in the funnies.....
Annie Mae

MUTUAL AID CODED

The Antioch Fire Department has just completed organizing a code-type of mutual aid call system. The code system has classified each fire according to general types. Trash, grass, and car fires were grouped together, as were working fires, in which all fire departments will be needed, etc. Other villages participating in the mutual aid call system are Zion, West Harbor, New Port, Bonnie Brook, and Gurnee. Antioch will be still working with their previously associated fire departments, the new system is merely designed to augment the present system.

The code mutual aid system further breaks down the area into two box sections. Depending on the section the fire breaks out in, the designated fire departments will answer the call, in conjunction with the code that is used.

It is hoped that the whole county will be broken down into box sections and participate in the code-type mutual aid system. There are certain advantages to this type of code system such as it will make a move up system possible, which will allow all departments to be covered during an emergency.

Chief Mapletorpe said, "The mutual aid code system will allow us to do more good with the available equipment and it will allow us to operate with less men and less equipment."

70 YEARS AGO, FEBRUARY 26, 1903

Blanche Wilton is quite ill with an attack of malaria. The new State Bank of Antioch opened the latter part of the week. Call at Hegeman's Shoe Store and see what \$2.00 will buy in ladies shoes.

50 YEARS AGO, FEBRUARY 22, 1923

Notice - I wish to announce to the voters of the township of Antioch that I will be a candidate for re-election to the office of supervisors at the coming primary election and would appreciate your support. B.F. Naber.

Antioch Grade School and High School are still under quarantine. It has been extended until March 3rd - 18 cases have been sighted.

20 YEARS AGO, FEBRUARY 19, 1953

Mrs. Virginia Carney was given a plaque by the local Sequoit Veterans of Foreign Wars. As telephone operator, she saved the lives of the 3 children of Charles Cermak.

Junior Regent, Blanche Horton of Antioch, chapter No. 735 Order of the Moose attended a Waukegan meeting.

10 YEARS AGO, FEBRUARY 21, 1963

Elected to the office of President of the Antioch Hillside Cemetery Assn. was Robert J. Wilton.

Robert Wertz of Antioch pledged Pi Kappa Alpha fraternity at Eastern Illinois University during winter quarter rush.

FIREMEN HEAD FOR WORKSHOPS

On February 16, 17 and 18 firemen Bernie Gutowski, Bill Carney, Ken Watson, and Chief Tod Maplethorpe, attended the Illinois Fire Chief's Association First Annual Advanced Training Workshops in Glen Ellyn, Illinois.

These were unusual types of workshops as they were conducted on a very informal level. The workshops were void of a series of lectures, but rather were opened for discussion. Eight different topics were covered in the workshops including: High Rise in the Suburban Area; Implementation of the New Training

Commission (How it will effect your department); The Trauma Program in the Fire Service; Supervising-Administration-Record Keeping; the Municipal Water Supply - How It Effects the Fire Service; Fire Prevention and the Changing Fire Service.

The firemen were able to pick four of the eight workshops to attend. According to Chief Maplethorpe the workshops were very worthwhile as well as informative. Maplethorpe also said he would like to see such a program presented in Lake County.

\$75,000 GOAL FOR HEART FUND IN LAKE COUNTY

The Lake County Heart Association's 1973 Heart Fund Drive is now in high gear. A goal of \$75,000 has been established for Lake County. This money is being slated for research, education and information programs to stop the nation's number one killer.

In remarks, made at the recent campaign dinner meeting at the Sheraton-Waukegan Motor Inn, William D. Pratt, Lake County Heart Fund Chairman said "Let's not confuse talk with action. If we allow ourselves to pay lip service to the continuing needs of the Heart Association...If we are content to talk about the 35,000 lives lost to heart and

circulatory disease in Cook, DuPage and Lake counties last year or the 6,500 children in these same counties who have either congenital or rheumatic heart disease or even about the 3.2 million man hours lost because of heart disease... I suppose we'll think we have done a good thing. Our job is not just talk. Our job is the action that translates talk into dollars."

Pratt and hundreds of volunteers are currently spreading the word about the heart disease and they look to themselves and to you - residents of Lake County - for the dollars to realize the goal.

CITIZENS ACTION PARTY
THE KEY IN '73

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

SIGN OF THE TIMES

So much has been said about signs lately, the government has been trying to regulate billboards on the highways, and cities have been endeavoring to set up regulations for the ever growing signs. There is even a song about signs that begins, "Signs, signs everywhere signs, breaking up the scenery blowing my mind..."

Antioch has not been excluded in the growing concern for signs as their community continues to grow and their business district continues to prosper.

However, at the present time Antioch does not have a sign ordinance and signs must conform to the regulations set forth in the zoning ordinance for Antioch.

These regulations pertain to the location, the projection, and the height. For instance the signs that are in the Business District designated B-1, must conform to the following regulations:

The gross area in square feet of all signs on a zoning lot shall not exceed three (3) times the lineal feet of frontage of such zoning lot. The gross area of all flashing signs shall not exceed two (2) times the lineal frontage of such lot.

Location The sign or signs shall front the principal street, a parking area or, in the case of a corner building, on that portion of the side street wall within fifty (50) feet of the principal street.

Projection. No sign shall

project more than two (2) inches across the property line into the public way, except as provided for awnings, marquees and canopies in this section.

Height. No sign shall project higher than thirty (30) feet above curb level and in no case shall a sign project above the roof line.

However, these regulations may seem complete, but there are many items that are not covered such as the maximum size of any sign, the materials the signs are made out of and many other characteristics. Within the last year the Village Board has had to make many decisions concerning the erection of new signs. At the last board meeting the board decided to approve Walsh's All Season's new store front sign. Previously, the board had denied their approval. Walsh's then modified their sign and the new sign projection is 1' 3" compared to previously proposed 2' 2". However, the new sign is made of combustible material, but there is nothing in the ordinance that prohibits this and thus the sign was granted approval.

This is not the first time the Village Board has been made aware of the insufficiency of the present zoning ordinance concerning signs.

According to Board member, Marge Nelson, in July of 1968 the Board felt strongly enough about the sign situation that they drew up an entire ordinance. The ordinance was

quite lengthy and was not quite developed, to the point of being written in the legal terms. Nelson said the ordinance was "rather severe and it required all signs to conform to the set regulations and if they failed to do so, they would have to be removed by May 31, 1969."

Present Board member, Vern Barnstable, worked on the sign ordinance at the time and said the ordinance was never passed due to a great deal of opposition on the part of the merchants and because the Board did not feel they could demand that existing signs be removed.

Barnstable said, "I definitely feel there is a need for a sign ordinance. But, I feel it should be a good one, one that will make people happy, not mad."

According to Barnstable the Board is currently working on the situation, which he does not feel is out of hand.

At the last meeting it was suggested the store owners and retailers should take part in the drawing up of the ordinance. It was suggested that an over-all theme for the Village stores would be nice, however, not to mention the expense that it would entail, it should be pointed out that most of the merchants do not own the buildings and it is often difficult to get owners to consent to changes.

The need for a good sign ordinance is unanimous and its beginnings are again in the preliminary stages and more will be heard on its progress.

EXHIBITING YOUR WORK....

As an amateur artist you should exhibit your work as much as possible because by so doing you can evaluate the quality of your work when you see it next to others. It is possible you will see then what to do to improve your technique or craftsmanship for future showing, or you may even be pleasantly surprised to find that your work is better than you think it is. You might even win some ribbons or cash, or better still, sell a picture or two.

Each year there are more and more opportunities for amateur artists to exhibit in competition, for sales purposes, or both. These are held indoors or out, starting in early spring and continuing thru the summer, and are sponsored by many organizations such as county fairs, merchants, shopping centers, art leagues and civic clubs. By inquiring around at local art stores and civic centers, or being on the look-out for write ups in the newspapers you can find out where to send for rules and entry blanks for each art show. You will eventually get your name on "the list" which is passed around these organizations, who send out cards informing artists about the places and dates of their exhibits. They try to choose week-end dates which do not conflict with any art shows in neighboring communities to assure large numbers of exhibitors.

It is important to find out how each exhibit will be operated. At the county fair grounds the

exhibits are held indoors and they hang the work, but most other places require the artist to provide their own displays. Such is the case, usually at shopping plazas. Go to one of these exhibits and see how artists display their work. Some have very ingenious, easily assembled screens, on which to hang the pictures, and folding stands for holding portfolios of their unframed works. You would need a comfortable lawn chair on which to rest as you must guard your own exhibit and be on hand to make sales or take orders for your work. Find out if the exhibit will be held rain or shine or if all allotted spaces are under cover. If not, then be prepared to cover your exhibit with large sheets of plastic. On hot, sunny days, sun glasses and hats or umbrellas are desirable extras. Also arrange with the next exhibitor or someone else to "spell" you during the day as these exhibits usually last from 9 a.m. to 6 p.m.

Watch for future articles on related subjects such as, preparing your pictures for exhibits, matting and framing, how to estimate your selling prices, and what kind of work sells.

Happy exhibiting.
Next week: **MATting**
First Local Exhibit: March 29-30. Lake County Town and Country Amateur Art Show at Lake County Fair Ground. For entry blank, write: Ray T. Nicholas, P.O. box 267, Grayslake, Illinois, 60030, or phone 223-5844.

EDGAR SIMONSON RETIRES

Mayor Toft regretfully read a letter of retirement from Edgar Simonson at last Monday's Village Board meeting. Simonson had been employed by the Village since July of 1958. For many years he served as Superintendent of Public Works, later he served as Commissioner of Water and Sewer Works, and as the purchaser for the Fire Department.

NOTICE OF SPECIAL GRASS LAKE SCHOOL BOARD MEETINGS

Notice of a special Board Meeting of the Grass Lake Grade School Board of Education, District 36 is announced by Mr. Hart. The Board will meet on Wednesday, February 21 at 7 p.m. and on Tuesday, February 27 at 7 p.m.

(l to r) Becky Janka and Cathy Walsh experiment lifting lead weights with their home-made battery and motor. The experiments were conducted as part of Mr. Vavra's 6th grade science class. (Photo by Brian Vavra)

Lisa Nenotch is busy charging her home-made battery. The battery, which is made from a strip of lead, thick cardboard and a sodium sulphate solution, was made as a science experiment in Mr. Vavra's sixth grade class at the Upper Grade School. (Photo by Brian Vavra)

GROUP SCIENCE PROJECTS

These are pictures of Mr. Vavra's 6th and 7th grade I.S.C.S. classes. I.S.C.S. is an individualized program in Science. Students work in small groups or individually, at their own speed and ability. The students learn by doing instead of the traditional method of being told.

6th and 7th graders learn about the physical properties of matter and 8th graders the chemical properties.

Antioch Upper Grade School staff teaching the new course are, Mrs. Mary Bruski, Mrs. Mary Kern, Mr. Brian Vavra and Paul Epner.

CHANNEL LAKE CHATTER cont

superintendent of Channel Lake School gave a very interesting and informative talk on the ever increasing drug problem at the Channel Lake Grade School PTA last Tuesday evening. Our problem was only about 15 parents and teachers took the time to attend the meeting. Mrs. Judy Robinson's 4th grade room won the room award, again.

That's all for this week, so let me know the news.

Louise

Those who think that inanimate objects don't talk, they never have and they never will, are forgetting what it is like to be young when anything and everything is possible. The following two stories were written by sixth graders at the Antioch Upper Grade School, and are indeed conversations between inanimate objects.

Conversation Between a Cruiser and a Gondola

"Hi there, you beautiful cruiser you!" shouted Gondola.
"Hi!" replied Cruiser.
"Are you showing the tourists around my little home?" asked Gondola.
"Yes, I am."
"What do you think of it?"

also it's pretty...Cruiser stopped before he insulted Gondola.

"Well, you did, you, you big tin can!" shouted Gondola.

"Oh, how dare you! You can't talk to me like that you hallowed out log, you!"

"Well, I just did, so there!" screamed Gondola.

"I could crush you with one swift hit of my bow!" threatened Cruiser.

"Let's see you just try it. Come on!"

"You asked for it!"

"I sure did, didn't I?"

CRUNCH

"Poor Gondola, sighed Cruiser, I'll never forget the way he floated down the river!"

Steve Burrit

Conversations Between Windsor Castle and Mud Home

"Hello," said Mud Home.

"Hellow, you little jerk," replied Mr. Windsor.

"How come you always insult me?" asked Mud Home.

"Because your just a dirty, puny, old mud home," said Mr. Windsor.

"I can't help it," replied Mud Home.

"Look how clean I am," said Mr. Windsor.

"Yes, but the Royal Family

lives in you. Only peasants live

in me" replied Mud Home.

"That doesn't make any difference!" exclaimed Mr. Windsor.

"Why not?" Mud Home said sadly.

"Because you're just a little jerk that's why," replied Mr. Windsor.

"Just close your big draw-bridge!" snorted Mud Home.

"Shut up, you little runt," said Mr. Windsor.

"Your so conceited it's pitiful!" growled Mud Home.

"Being conceited isn't half as bad as being made of mud like you!" angrily replied Mr. Windsor.

"Well, I had better get some shut window," said Mud Home.

"OK, goodnight," said Mr. Windsor.

"Goodnight, replied Mud Home.

Jim Oilschlager

The preceding stories were written in conjunction with Mrs. Jensen's Language Arts class.

The class is studying parts of speech and are doing it in an interesting way as they are combining it with creative writing.

It has been said that from mouths of babes come words of wisdom and in this spirit the Antioch News will continue to publish student writings from the area's grade schools.

LAKE COUNTY FAIR SET FOR JULY 25-29

The date of the Lake County Fair at Grayslake has been set for July 25-29. Acting director of the Illinois Department of Agriculture, Robert Williams made the announcement along with the dates and locations of 101 other fairs and expositions.

RAINBOW VALENTINES DAY PARTY

Antioch Assembly No. 23 held their stated meeting on Monday, February 12. After the meeting, we had a Valentines Party. We played Robber Bingo and had a lot of fun. Refreshments were served by Vicki Plotz and her committee.

This week-end Friday and Saturday Feb. 23-24 will be your last opportunity to see the comedy Plaza Suite as presented by PM & L in Antioch. The show is being directed by Tony Aird of Round Lake Beach. It is the second show of the 72-73 season.

This Neil Simon comedy is familiar to many from Broadway or movie, but for those of you who might have missed it else-where a brief re-cap. Act 1

reveals a marriage going thru a trying period, this act features Donna Mascari, Fred Holbert, Lyn Zahler, Dennis Macaluso and Ed Grimes. Act II gives us a glimpse at a smooth operating man-about-town and his former flame, Don Bevroth, Pam Hill and Ed Grimes are seen here. Act III the "Big Day" in every girls' life gives mom and dad some hairy moments as the bride-balks. We see Tom Hausman and Nancy J. Bell,

parents sharing the spot-lite, and Penny Anderson and Dave Oelerich as the prospective bride and groom. The common denominator of our production is the Suite 719 at the Plaza Hotel in New York City.

Thru the efforts of Hank and Ricky Apostol we have re-created a lovely suite on the PM & L Stage. The furniture and furnishings are a compliment to the fine acting. The locating and handling of the many props

have been supervised by Carolyn Blanchette and her crew. To make any community theater production successful a multitude of faithful workers are needed and at this time the director wishes to say "Thank you" to each and every one.

Now if you have not seen our production of Plaza Suite, or if you'd like to see it a second time call immediately for reservations. Seating is limited so don't be disappointed, call 395-9702.

FINAL PERFORMANCE OF PLAZA SUITE

Pam Hill from Antioch and Don Bevroth from Paddock Lake rehearse the 2nd Act in PM & L's Plaza Suite. Only 1 more weekend to see this excellent play at the PM & L Theatre on Main Street. Phone 395-9702 for reservations.

New Deductions

IT'S A BOY! Two Antioch businesses had these signs pasted on their windows this past weekend.

Mike and Ruth Warren became the parents of a baby boy born on Friday evening, February 16th, at 6 p.m. Michael Ian tipped the scales at 8lbs. 9oz. Big brother Danny can't wait till his new playmate comes home.

Maternal grandparents are Dr. and Mrs. McEwen of Hillsboro, Ohio and paternal grandparents are Mr. and Mrs. Albert Warren of West Palm Beach, Florida.

James Arthur Wilton popped into this world on February 16, 1973 just one day late to have a common birthday with Grandpa Wilton. He tipped the scales at 7lbs. 13oz. and was 21" long. The proud parents are Bill and Karen Wilton of Antioch. This lucky little guy has one sister, Ivy, 8 years old who just can't wait to play with this real doll.

Maternal grandmother is Mrs. Charles McVane of Antioch and paternal grandparents are Mr. and Mrs. Robert C. Wilton of Antioch.

Social Notes

by: Del Jahneke

The Girl Scouts of Service 16, Antioch, are planning a Father and Daughter Dinner on Sunday, March 11, 1973, at the Antioch Country Club at 2:00 p.m. Girl Scout representatives from each troop are preparing a program, featuring the honoring OF Mrs. Louise Kaufman. Mrs. Kaufman started the first girl scout troop (Troop No. 5) in 1943. Since that time, she has done much and participated in numerous activities to promote girl scouting in Antioch and in the Lakeview Girl Scout Council. Former members of Mrs. Kaufman's first troop are invited to attend the dinner. Tickets may be purchased by contacting Mrs. Bernard DeVries at 395-3975.

Some seventy persons from Antioch Evangelical Free Church held their annual Valentine's Day dinner at the Illinois Beach State Lodge on February 14th, and an entertaining, elegant and enjoyable evening it was for one and all!

Ray and Eunice Rathmann, Oakwood Knolls, were part of the people crowding the McCormick Place Boat and Camper Show in Chicago on February 11th. Boats and campers in every conceivable size, show and style dazzled their eyes, but they decided their camper at home was the one they really wanted to keep.

Glad to report that Mrs. F.A. Swenson is home from Victory Memorial Hospital, and is definitely "on the mend". Keep up the good work, Ellen, and stay well!

Dick and Barbie Tobias, Beach Grove, with their three children, Randy, Trent and Tracy, have just returned from one beautiful week spent skiing the steep, snowy slopes at Aspen Colorado.

The Richard Beckers and the

ROTARY OFFICERS RECEIVE GIFT

Rotary President Mike Warren and Vice-President Bill Brook are accepting a new color television donated by Rotarian Cliff Vanderwerker for the Wild Game Dinner February 24.

The Antioch Rotary Club is celebrating the 68th Anniversary of Rotary International with their 4th Annual Wild Game Dinner. Dinner will be served at St. Peter's social center with dancing and entertainment following. The Scotch Lads will provide music and entertainment that night. "All proceeds from this event will be used in community service projects" asserts Wally Daniels, Rotary Club chairman.

Other Rotarians involved in the Wild Game Dinner are Bill Brook, ticket chairman; Gene Zannini, wild game preparation; Les Shaffer, bar chairman; and Jim Hamlin, audit chairman.

WOMEN OF THE MOOSE

On Feb. 15, at the Women of the Moose business meeting, a special installation was held. Dorothy Tralewski was installed as Guide, and Catherine Kloth, as Asst. Guide. The following College of Regent members participated in the ceremony: Installing Regent, Jerri Polson, Installing Guide, Shirley Gehrls, Escorts, Gerry Mark and Harriet Grewe, and

NEW STEEL SALES OPENS IN ANTIOCH

Sequoit Welding and Steel Sales opened for business this week in Antioch. Mr. William Pierce, a long-time resident of Antioch and a professional welder will be doing the welding; specializing in special welding needs such as railings etc.

The Sequoit Welding and Steel Sales will be handling a complete inventory of all kinds of steel necessary for home construction needs. The new owners are ready to supply steel plus the professional welding abilities for every need. Located at 82 Anita in Antioch, their phone number is 395-6440.

Jim Mahiar families, Bluff Lake, are certainly enjoying their golden retriever puppies. Even their children seem delighted to walk these fine dogs each evening.

Gladys Schroeder, Installing Pianist.

The Charter was draped for co-worker Stella Elwood. The chapter extends deepest sympathy to her family.

Sr. Regent Karen Bartuska announced a change in procedure for election of new officers. The nominating committee will meet during the first two weeks of April. The slate will be read at the business meeting, April 19. Election will be held May 3, prior to the meeting.

Birthday marchers were Shirley Rentsch, Anne Gialds, Lydia Pedersen, Georgia Sutherland, Irene Klemz and Harriet Grewe; also a donation from Florence Henry.

Jr. Graduate Regent Judy Page has been invited to be guest Sr. Regent at the Cicero Green Cap Program, on March 11, and also to be guest Sr. Regent at the Cicero Green Cap Program, on April 3. If enough co-workers attend the Cicero chapter meeting a bus will be chartered.

Ritual Director Shirley Gehrls has called a ritual practice for Feb. 22, 8 p.m. Co-workers are urged to attend, as this will be the final practice before Chapter Rally Day, Feb. 25. A reminder: Registration is at the MOOSE HOME, from 10 a.m., prior to the meeting at the Methodist Church, to begin promptly at 1:30 p.m. Guest chapters will be Highland Park, Zion-Benton, Waukegan and Fox Lake. Brother Dick Stroner and his crew of Loyal Order members will serve dinner, at the Moose Home, following the meeting. Come early and enjoy rolls and coffee during registration and help welcome our visiting co-workers!

CITIZENS ACTION PARTY

THE KEY IN '73

American Legion Auxiliary

"Let's Visit Exotic Hong Kong" entreats Mrs. Ann Solberg, Zion, district foreign relations chairman of the 10th District American Legion Auxiliary. "Come see with me just what our American Legion Auxiliary is planning to accomplish for the Chinese refugees in this small land of many contrasts. A four story building is being constructed through the combined efforts of the national Auxiliary and the local government. The first floor will contain a multi-purpose community hall, with large meeting rooms for exhibitions, dramatics and recreational programs. There will be a plaque commemorating the American Legion Auxiliary's part in this project. The second floor is geared for children's activities and will hold small rooms for nursery and kindergarten facilities, rooms for special interest groups, hobby groups and class rooms. Youth activities are centered on the third floor with reading rooms, study rooms and a children's library. Store-room facilities

and the caretaker's quarters will comprise the fourth room. The local government will pay staff salaries, and the Hong Kong government will finance and provide site and the logistical cost of supplies. Through CARE, the Auxiliary will provide materials, technical supervision and interior facilities. The building will be a total community activity center. Contributions through CARE will pay for the Auxiliary's participation in this program."

Mrs. Solberg goes on to relate the many contests that are available to both senior and junior members under the foreign relations program. An imaginary trip "A Visit to Hong Kong" can be written in essay form, limited to a 1,000 words. On this imaginary trip, varied material can be included such as people and their culture, history and heredity, government, geography, industry, etc. Two different age categories makes this contest easier for junior members. Mrs. William Schultz of Wadsworth, Sharvin Unit, 2nd Division foreign relations chairman, is in charge of this contest and she says the deadline date for these essays is April 15, 1973.

There is the scrapbook contest "Hong Kong, Land of New Hope", which creates an opportunity to learn more about this country regarding religion, education, culture, government, trade, agriculture, etc. This contest is also open to both senior and junior members. Lastly, there is the doll dressing contest, which is limited to the junior members. Dolls must be dressed in original, authentic Chinese costumes.

Mrs. Solberg suggests: "Contact the Chicago CARE office for films about Hong Kong. Have an AEF student from another country as guest at one of your unit meetings, and learn more of his country and customs. Be sure to contribute to this community project in Hong Kong through CARE. The American Legion Auxiliary CARE program is extending a helping hand to these refugees who need to restore their personal dignity and pride. It is also helping develop a sense of responsibility and neighborliness so that these refugees may feel that they have become an integral part of Hong Kong."

Mrs. Bernard Stadick is the Antioch Unit Foreign Relations Chairman.

ROYAL NEIGHBORS VALENTINES PARTY

The Royal Neighbors met at the American Legion Hall on February 13th. Dot Golden marched in with the American Flag and all said the Pledge of Allegiance.

A get well card was sent to the following neighbors - Pearl Anderson, Clara Svoboda, Jane Meyer.

Then the Audit was read by Eva Fields and approved by the members.

The secret pals revealed their pals for the year and then exchanged gifts after which they picked their new secret pals for the next year.

Birthday gal for the month was Leonna Eppers.

Dessert and coffee was served by Laura Thayer and Alice Lassen. The next meeting will be February 27th.

DIANE JENSSEN ENGAGED

Mr. and Mrs. Ray Jenssen of Lake Villa are pleased to announce the engagement of their daughter, Diane to Dennis Pleviak, son of Mr. and Mrs. Joseph Pleviak of Lake Villa.

An August wedding is being planned.

A.A.R.P. NEWS

The Antioch Area Chapter, No. 387, held their monthly meeting on Tuesday, February 13 with the serving of a smorgasbord at 12:30 p.m. in the United Methodist Church.

Regular business was reported on and President, Clarence F. Spiering explained the dates of the meetings to come and the programs that will be offered.

Spiering appointed John L. Horan as Public Relations Chairman and reported the membership for the chapter at 240.

On February 27th A.A.R.P. members will travel to the Swedish Manor at 2205 North Lewis Avenue, Waukegan for a noonday meal. The cars will leave the Methodist Church at 11:00 a.m. Anyone needing a ride should be there at that time. The Chapter will pay for the meal.

On March 13th at 12:30 p.m. A.A.R.P. will meet at the Methodist Church and each member will be presented with a free box lunch of Kentucky Fried Chicken by the Chapter. Chief of Police, John J. Wells will be there to get better acquainted with the people of the Antioch Community.

The candidates of the "Citizens Action Party" (CAP) will appear at the March 27th meeting.

MENTAL HEALTH ASSOCIATION MEETS

A business meeting of the Antioch Mental Health Association was held Monday, February 12th at Lorenz's. It was decided to invite a member of the Antioch H.E.L.P. Center to speak at the next meeting. The Association will again send 3 or 4 handicapped children to the Long Lake Summer Camp. The members voted to donate \$4,000.00 to Grove School for use in expansion and the building of a resident wing.

Appreciation was given to Zeida Vos for her excellent

management of the Thrift Shop. Please remember the Thrift Shop is in constant need of donations to continue its good work. At this time dishes, knic-knacs and hardware items are especially needed.

Plans are well underway for the 1973 Cotillion. Aside from the Thrift Shop, the Cotillion is the major fund raising project of the association. The date is May 12 and the place is the Ramada Inn in Highwood. Ticket co-chairmen are Caroline Costoff and Irene Hahn.

TABLE SETTINGS FOR HOME AND SHOW

The Lake County Homemakers Extension Association invites the general public to view a touch of spring on Monday, Feb. 26, at 8 p.m. in the Farm Bureau Auditorium, Rte 45, Grayslake, Ill.

"Table Settings for Home and Show" is the program to be presented by Mrs. Emil Walker,

EMMONS SCHOOL BEGINS BAND PROGRAM

Emmons Grade School has enhanced its curriculum by initiating an instrumental music program. A total of 38 students have enrolled and attended band rehearsal after school on Tuesday and Thursday. The band is under the direction of Mr. Edward Kramer of Antioch.

Jr. Place settings co-ordinating linen, china, crystal and flower arrangements in harmonizing containers will be shown. Emphasis is on exciting color use and innovative handling of predominately fresh plant material and on unusual table appointments.

Mrs. Walker has many national and state titles in the field of gardening, among them that of nationally accredited landscape design critic, accrediting chairman on the board of the Garden Club of Illinois and president of the Wisconsin-Illinois Lily Society. An avid gardener at her rural home near Woodstock, Mrs. Walker also is a member of the American Rock Garden and the Chicago Horticultural Societies.

There is no admission charge for the Feb. 26th show, according to Mrs. Harry Gerry, County Program Chairman for the Homemakers Association.

SEQUOIT SUZIES TOUR FIREHOUSE

The Antioch Fire house was the Sequoit Suzies meeting place for the February meeting. Excited 4-Hers were escorted through the building that houses the Antioch fire fighting equipment. Mr. J. Quendenfeld, one of our devoted volunteer firemen enlightened the members about the equipment. During the business meeting

Rosaline Scheske asked for reports from various chairmen. Kathy Aschbacher suggested a tour to Abbots Lab and will give the girls more detailed information at the March meeting. Patty Gross and Karen Kleen who are on the community involvement Committee gave the girls a report on their visit to the Lake Villa Children's Baptist Home, at which time they presented the Children with Candy trees that were made by the Sequoit Suzies. Mrs. Gross invited the girls on Share-the-Fun Committee to meet at her home to organize their plans for this year's skit.

Reports given, Gail Olsen talked to the girls on the variety of Electric projects in 4-H. Kathy Walsh talked on "Babysitting" and passed out very informative booklets that the members will find very useful. Mr. Quendenfeld followed with an interesting lecture and slide session on how to prepare for a fire should the emergency arise.

The meeting was concluded with games that Liz Benes led. Rosemary and Rosaline Scheske were the hostesses for the evening.

Lynette Hamlin will host the next meeting on March 1st with Kathy and Rosaline Aschbacher as co-hostesses.

AN IMPORTANT DATE — GRADE SCHOOL FUN FAIR SUNDAY

The Fun Fair, a family day at the Antioch Lower Grade School, is scheduled for 1 to 6 p.m., Sunday, February 25th. Mothers, fathers, children, grandparents, friends and neighbors will find every fun event in the gym. Nickels, dimes and pennies will bring hours of enjoyment.

Clowns will greet and bring smiles to all. A raffle will offer many interesting and varied gifts donated by local business-

men and friends.

Booths of games will offer prizes large and small. Goldfish will find new homes with happy children. Cakes and pies galore will be offered at the cake walk.

Surprises and rare items may be purchased at the White Elephant table. Lunch and supper will be available in the cafeteria.

The Antioch Lower Grade School PTA is looking forward to sharing a well planned afternoon with all of you.

MILBURN LADIES PLAN ROAST BEEF DINNER

A roast beef dinner will be served to the public by Milburn Ladies Aid of the Milburn Congregational Church at noon

Thursday, March 1, in the church dining room. Mrs. Howard Bonner is chairman assisted by Mrs. Roy Bonner.

ARTS AND CRAFTS ON PROGRAM

The Antioch Welcome Wagon Newcomers' Club has many activities on Arts and Crafts. Jot down these dates and come join us for some interesting hobbies.

Fri. Feb 23 - a class in Decoupage - 12:30 p., given by Anita Gedville - 396-9561.

Wed. Feb. 28 - Instructions on quilting - 7:00 pm, also given by Anita Gedville.

Wed. Feb 28 - A workshop on

Embroidered Wall Hangings & Seeded Pictures. Norma Sefton will be giving the class. 414-862-6596.

If you are interested in any of the above, give these gals a call for further instructions and directions.

A Newcomers' "Coffee" will be held Thursday March 1, 9:30 a.m. at the home of Betty Baker. You are most welcome. Call Betty for directions and a ride if you are in need of one.

"TULIPS AND HEATHER" FASHION SHOW THEME

Carmel Mothers' Club of Mundelein will usher spring fashions at their annual luncheon-fashion show on Saturday, March 10th at the Chevy Chase Country Club in Wheeling.

Heinz's of downtown Waukegan and Lakehurst will present their new resort and spring line with Mr. William Coulman commenting the show.

Cocktail time will be at 11:30 a.m. followed by a 1:00 p.m. luncheon.

Reservations must be made before March 5th with Mrs. John Kasting of Mundelein. 566-0992 or Mrs. Gordon Wilkinson, 566-4127.

Members and their guests are welcome to attend and many present will take home gifts donated by various area merchants.

GROUNDBREAKING AT SHAGBARK RIDING ACADEMY

A Groundbreaking Ceremony was held, at the farm recently purchased by Mr. and Mrs. Don Coda of Naperville, at the farm property known as the Rom Ranch and now known as Shagbark Riding Academy, Inc. Don Coda, the new owner, is the Corporate Controller of Time Industries, Inc. of Chicago. The Codas have lived in Naperville the past four years and have recently moved into the residence at the Academy located at 7909 Manley Road, Harvard.

The existing indoor arena, which was constructed some years ago by Arnold N. May Builders, Inc., is 72 x 208. Arnold May Builders have designed and are adding to this existing arena a new building which will contain thirty seven box stalls, tack room, grain room and other facilities.

The Codas have, as their Senior Riding Instructor Carol Garrett of Hebron, who has had many years experience in the training and showing of horses. In addition to training, showing, and boarding, the Codas will also be buying and selling horses. Their instruction program will be basically English, covering beginning riders through advanced jumping students. For the "year round" training of hunters and jumpers, they will have available not only the existing indoor area but outside rings and a hunt course.

Mr. Coda has been in the horse business since 1954 and has had a desire to own his own facility in an area that is growing. According to Mr. Coda, he saw the opportunities in the existing large arena facility; and asked the firm of Arnold May Builders, Inc. to plan, design and build this new addition. The Codas are also having the May Company build a 40 x 40 hay and shavings storage building, along with an addition to their existing residence.

This new facility is located East of Harvard off 173, via O'Brien Road East to the Academy. You can also reach it via Route 47, taking Vander Karr Road (O'Brien) 2½ miles west of the Route 47 "rest stop".

Groundbreaking ceremony for the Shagbark Riding Academy, Inc. l to r: George Duros, Remodeling Division Head, Arnold N. May Builders, Inc.; Woody Garrett, Trainer; Carol Garrett, Senior Riding Instructor; Don Coda, Owner-Trainer; Arnold May, Architect-Builder; Bill Kattner, Pole Barn Foreman; Mrs. Andrea Coda; Lloyd Wagner and Bill Thomas of the Farm Division of A.N. May Builders, Inc., and Ruth Kearns, Remodeling Division Saleswoman of A.N. May Builders, Inc.

AMERICAN PARTY CLUB

"DEFENSE DENIED" is a film presentation which will be the high point of the Saturday, February 24, meeting of the American Party Club of Lake County to be held in the Jones Island Park Building, 243 Harvey Avenue, Grayslake at 8:00 p.m. sharp. The meeting is open to the public and all citizens concerned about gun registration, gun owner registration, and possible resultant gun confiscation, are welcome and would do well to make attending this program a must.

"DEFENSE DENIED" was produced under the auspices of Citizens Fighting Gun Confiscation. CFGC is an organization of concerned Illinois citizens, presently over 50,000 strong, which had its birth in the central and southern counties of Illinois. Mr. Mervyn Ohm of Olney, Illinois, heads CFGC. If enough interest is evinced, Mr. Ohm will gladly come to speak to a public rally held to form a local chapter of CFGC.

TWO POSITIONS OPEN ON GRASS LAKE SCHOOL BOARD

The regular Board of Education meeting of the Grass Lake School centered around the State of Illinois Circular Series 160 A. Recognition and Supervision standards to become effective September, 1973. Areas of Curriculum, Students Goals, and System Goals received priority attention.

Discussion of School Policy revision and teacher welfare were also put to revision for implementation. Supt. William Hart noted that local input into the program was very important. In-Service Workshops and district sampling are being planned to accomplish this goal.

Proposals were opened for the purchase of a bus. Stewart Olson Implement of Antioch and General Coach Sales of Chicago were awarded the Chassis and Body work. Group hospitalization proposals are also under study by the Board.

The 1973-74 school year calendar was presented and

approved. School will begin on August 27, 1973 and close on June 7, 1974. This is a common calendar for use by the schools in the area, Hart noted.

Hart also reported the Annual School Board election will be held April 14, 1973. Two board positions will be acted on, and petitions may be obtained every week day at the school office between 8:30 a.m. and 4:00 p.m. The first day for filing is February 28th, at 8:30 a.m. and the last day for filing is March 23rd, at 4:00 p.m. It will be necessary for all candidates to file a Statement of Economic Interest with the County Clerk prior to filing their petition for a board position.

The Board has changed their april meeting date from April 10th to April 17th, 1973, beginning at 7:00 p.m. at the Grass Lake School.

The Board also granted April 26th and 27th as part of the Spring Vacation period.

—O'HARE CAT SHOW AT SHERATON-MOTOR HOTEL

350 pedigreed cats will be on display February 24 and 25 at the Sheraton-O'Hare Motor Hotel, 6810 N. Mannheim Rd., Rosemont, Ill., in a Cat Show sponsored by the Lincoln State Cat Club.

This will be the club's thirteenth annual event and is the largest in the midwest. Both longhair and shorthair cats from all over the country will be in competition for the many ribbons, rosettes and trophies. There will be continuous judging both days from 10:00 a.m. to 5:00 p.m. and the public is welcome. Donations at the gate are \$1.25 for adults and 50 cents for children.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

Wednesday, February 21 marks the middle of the fourth nine weeks and is also the day for sending out D and F Interim Reports to parents of students receiving such grades.

I've had requests to mention the increased amount of vandalism at our school lately. In one of the girl's washrooms, it got to the point where the doors had to be removed so they could see when people were marring the walls and doors. I also know of at least one washroom that is locked at all times. It's pretty sad to see students destroying their own school. I've also known of a lot of missing wallets and purses. Let's hope we can come up with a solution to this growing problem - SOON.

It was an important weekend for sport's events, especially for the wrestlers who had their District Tournament here at Antioch Community High. We took fourth place but it was an extremely close meet. After the championship match, we were leading. Coach DeRousse said this was our moment of glory when everyone really got the feel of what it was like to be on top. After this, we lost momentum. The individual places were as follows:

Roberts, 98, 1st; D. Thain, 105, 3rd; Larsen, 119, 1st; Shaffer, 132, 2nd; J. Thain, 138, 4th; Feldman, 145, 4th; Rayniak, HWT, 3rd.

Roberts, Larsen and Shaffer will be going to sectionals which will be held at Evanston. Coach DeRousse commented that he hoped to see the usual large crowd that Antioch brings.

The basketball Sequoits smeared the Grayslake Rams Friday night at Grayslake. The score was 75-63. I talked to Coach Andrews and he seems really pleased with our season. He said we should all be proud of the players - they did a great job. Our only real weakness is height. Coach Andrews also commented on our Regional Tournament. We're at an advantage since it's at home. We're all hoping for some great fan support and a Regional Championship.

FESTIVAL

This Thursday is the big day for all of the choirs in our conference when we all meet at Lake Forest High School for our annual "FESTIVAL". Mr. Brooke's Acapella Chor will also be there. The united choir will be directed by Daniel Moe who also arranged two of the songs we'll be singing. All of the schools have been practicing songs that were chosen by the directors for these schools. Then, on Thursday, beginning at 9 a.m., the choirs shall become joined and put into soprano, alto, tenor, bass sections for rehearsals during

the morning. We all break for lunch and in the afternoon all of the schools become as one. If you have ever been to one of our festivals, you probably know what I mean when I say it's really an experience. It absolutely electrifies me to hear the gymnasium echo with the harmony of a united choir. After the afternoon session of rehearsals, we have a dinner break. Lake Forest is providing a dance for us, and for those who don't like to dance, there will be a movie. Performance time will be at 7:30 p.m. that evening. Students in the choir are selling tickets but they can also be purchased at the door. The performance will also be recorded on a stereo LP which can be paid for at the performance.

I hope to see a lot of you at our "Festival". It's such a switch. We're all so used to seeing the schools contending with each other at athletic events and always fighting against each other. Practicing, practicing to outdo and devastate the other team - AGAINST one another. This can all sound the same. It draws all the schools together on a common bond. No school is better than the other and no one is the winner. It is the blending of all of it. I'm sure you'd enjoy it. There will also be an Honor Choir, which is a smaller group of a few students from each school. Hope we'll see a lot of people from our community there. I'm sure it'll be well worth your time.

Two poems were submitted this week. Since one was so short, I decided to put both of them in. Mark Andrews submitted the first one and told me that he found it under the name of one of the Rolling Stones who died of an overdose of drugs.

When this you see, remember me
And bear me in your mind

Let all the world say what they may,
Speak of me as you find.

THE WORLD IS MINE

Today, upon a bus I saw
A lovely girl with golden hair;
I envied her - she seemed so gay
And wished I were as fair.
When suddenly she rose to leave,
I saw her gobble down the aisle;
She had one foot and used a crutch,
But as she passed she gave me a smile.
Oh, God forgive me when I whine,
I have two feet - the world is mine!

Walking down the street, I saw
A child with eyes of blue.

He stood and watched the others play.
It seemed he knew not what to do

I stopped a moment, then I said:
"Why don't you join the others, dear?"

He looked ahead without a word,
And then I knew he could not hear.

Oh, God forgive me when I whine,
I have two ears, the world is mine!
With feet to take me where I'd go,

With eyes to see the sunset's glow,
With ears to hear what I would know.

Oh, God Forgive me when I whine,
I'm blessed indeed! The world is mine!

BRUCE AND LINDA ARE 4-H KING AND QUEEN

Crowned King and Queen of "Cupid Affair", this year's 4-H Dance were Bruce Scottberg and Linda Lagerstrom. They will represent Lake County at all multi-county 4-H functions and will reign over the 4-H section of the County Fair.

Linda, a senior at Antioch Community High School, has been in 4-H for 9 years. She is a Jr. Leader of the Antioch Adventurers 4-H Club and Secretary of the JLO.

Bruce, a student at CLC, is a Jr. Leader of The Chain O Lakes 4-H Club. He is also president of JLO. (Staff Photo)

Astro-Chart

(Week of Feb. 23-March 1)

ARIES (March 21-April 20): This is one of those weeks to stick to routine. Avoid disputes with relatives, associates. Be sure to seek professional help in any business transactions. Later in week, things begin looking up socially and in career matters. Best day: Wednesday.

TAURUS (April 21-May 20): New horizons beckon to you after a socially active weekend. A good time to shop for a new outfit to fit your new mood. Solar signs favorable for travel and meeting new friends. Best days: Monday, Tuesday.

GENINI (May 21-June 21): Financial matters may occupy your thoughts. Something that has been worrying you may become less of a problem, perhaps because of a new income-producing opportunity. Best day: Friday.

CANCER (June 22-July 21): Pay more attention to family, loved ones. A favorable period for contact with people at a distance. Your thoughtfulness will be rewarded. Best days: Saturday, Thursday.

LEO (July 22-Aug. 22): Romance is in the air. A social invitation could introduce a new circle of friends who are charmed by your sincerity and zest for life. Career, scholastic achievements are possible now. Best day: Thursday.

VIRGO (Aug. 23-Sept. 22): Concentrate on projects you've been neglecting. An excellent time to put tax matters into shape. Don't allow social life to interfere. Best day: Wednesday.

LIBRA (Sept. 23-Oct. 22): Family relationships may prove vexing over the weekend, but patience and tact will ease the situation. You're due for a lucky turn of events Saturday, Sunday. Best days: Monday, Wednesday.

SCORPIO (Oct. 23-Nov. 22): Creative projects favored. An old acquaintance could bring new sparkle to your social life over weekend. Concentrate on details to avoid error. In school or work projects. Best day: Monday.

SAGITTARIUS (Nov. 23-Dec. 21): If you've been thinking of seeking a new job or career opportunity, now is the time to make the change. Moon in your sign stimulates ambition and spirit of adventure. Romance favored over weekend. Best days: Saturday, Thursday.

CAPRICORN (Dec. 22-Jan. 20): Avoid over-active social life. A good time to catch up on rest, relaxation. Family, friends will respect your mood if you are firm. Concentrate on work first part of week. Best day: Thursday.

AQUARIUS (Jan. 21-Feb. 18): Splurge a little on yourself. A good time for shopping for clothing, furniture. Pay no attention to gossip concerning friends, acquaintances. The first rule of friendship is trust. Best days: Monday, Tuesday.

PISCES (Feb. 19-March 20): Social prospects on the increase. A party or other friendly gathering can introduce a new element of romance in your life. Work may seem dull and routine, but after hours recreation makes it all worthwhile. Best day: Friday.

COMMUNITY SERVICE NEEDS VOLUNTEERS

Who is a Little Brother? He's a boy between eight and eighteen who lacks a father or an adequate male figure. He may be socially maladjusted, or just an unhappy unfortunate boy in need of male influence and companionship. Generally, a little brother is a boy who is just beginning to show signs of inappropriate behavior patterns which usually stems from a breakdown in his home. Such a boy needs guidance and can usually, with the help of a Big Brother, be redirected.

Are you interested in becoming a Big Brother? Do you have a couple hours a week to spare? Will you provide a mature and loving model to a boy attempting to discover himself and the community in which he lives? Call United Community Services Volunteer Service Bureau at 662-3580.

CITIZENS' ACTION PARTY PRESENTS PLATFORM

Citizens' Action Party candidates are shown studying platform for the April 17, 1973 election. Robert C. Wilton, (right) Village Trustee and Candidate for Mayor, is pictured discussing eight point platform with Michael J. Haley, (left) William H. Seemann, and Ronald J. Cunningham, Candidates for Village Trustee. Citizens' Action Party Platform, the first platform presented to the citizens of the Village of Antioch in many years, represents planning that will be beneficial to all citizens under the new leadership of Mayoral Candidate, Robert C. Wilton.

PLATFORM

COMMUNITY GROWTH AND LAND USE

Organize and plan orderly growth within our jurisdiction. This can only be accomplished by using professionally trained planners who have the expertise to develop procedures that will be beneficial to all citizens within the limits of the Village of Antioch and its environs.

STATE AND FEDERAL FUNDING

Grants are available from the State and Federal government for development and completion of many needed village programs. These funds will be placed to full utilization within the Village of Antioch. We will apply for and make use of all State and Federal funds of this nature now available.

PARKS, PLAYGROUNDS AND RECREATIONAL FACILITIES

It is our intention to make more land available for the purpose of providing additional recreational facilities for the youth, as well as all citizens. We will require, by ordinance, housing developers to provide adequate recreational facilities within their developments.

IMPROVED GARBAGE PICK-UP

Improve service and reduce cost.

INDUSTRIAL GROWTH AND DEVELOPMENT

Evidence shows that industrial growth within the Village of Antioch will help relieve the future tax burden on our citizens. Therefore, we will cooperate with the Antioch Chamber of Commerce and other interested groups for the purpose of attracting additional industrial growth within the area. Industrial growth will not only reduce tax burdens, but will also provide additional employment opportunities and revenue for our Village.

FLOOD CONTROL

The storm sewers in many areas of the Village are not adequate. We will immediately develop and implement an overall storm water plan to eliminate present flooding problems.

MOSQUITO CONTROL

We will develop a mosquito abatement program, to be implemented, when conditions warrant it.

STREET IMPROVEMENT PROGRAM

We will continue to develop and implement an adequate street improvement program to up-grade existing road and street deficiencies within the Village of Antioch. This plan will include programs for black topping, widening of streets and sidewalk improvement, where needed.

HOMETOWN NEWS

JOELLEN ZANNINI RECEIVES CAP

Joellen Mary Zannini, daughter of Mr. and Mrs. Eugene P. Zannini of Rte 3, Antioch, received her white cap in a candlelight ceremony on February 18 in Gesu Church.

Caps were awarded to seventy-three Marquette University dental hygiene students at the completion of their probationary period in theory and laboratory courses. The cap is indicative of learning and achievement in the field of dental hygiene.

MICHAEL F WILLIS

Sergeant Michael F. Willis, son of Mrs. Bonnie J. Willis of 111 Hillside Ave., Grayslake, Illinois is among U.S. Air Force personnel participating in Reforger IV - a realistic training exercise being conducted in West Germany by NATO nations.

Sgt. Willis is a construction equipment operator with the 26th TACTICAL Reconnaissance Wing from Ramstein AB, Germany. He and fellow airmen are supporting RF-4 Phantom aircrews who are supplying aerial reconnaissance for U.S. Army forces taking part in the exercise.

Approximately 10,000 soldiers and more than 1,000 tons of cargo from the Army's 1st Infantry Division at Ft. Riley, Kan., were airlifted by Military Airlift Command C-141 Starlifter and C-5 Galaxy transport aircraft to Germany for the exercise which runs into early March.

Sgt. Willis, a 1967 graduate of Grayslake Community High School, attended Trinity College, Deerfield, Ill. His wife is the former Sandra A. Mann.

The sergeant's father, Gerald M. Willis, resides in Lake Villa, Ill.

WM J BIRKHEAD FEDERAL AGENCY

William J. Birkhead, Controller for Esso Standard Thailand, Ltd., Bangkok, and son of former Antioch School Superintendent T.R. Birkhead, is spending a year with the Department of Agriculture here as part of a federal program to let business and government swap expertise.

The program, begun by President Nixon in 1969, is officially known as the Presidential Executive Interchange Program. Esso Standard successfully nominated Birkhead for membership in this year's exchange group.

Following his selection, Birkhead was named assistant to the Agriculture Department's deputy administrator for management, Food and Nutrition Service. He is working on agency management and financial control problems.

Birkhead was one of only 60 young executives chosen to join federal agencies for 1973. Some 19 government executives went in the opposite direction, taking guest positions in private industry.

Jay I. Leanse, executive director of the President's Commission on Personnel Interchange, called selection "an obvious honor." He said the candidate's nomination must come from the chief executive

CHOS TO JOIN

of the corporation or agency. The candidate must have a proven record of leadership and managerial ability and a history of professional accomplishment.

After receiving his bachelor's degree in industrial management at Purdue in January 1962, Birkhead went on to the University of Michigan Graduate School of Business Administration, where he graduated in January 1962.

Birkhead first went overseas with Esso Standard in 1966, serving in Singapore as assistant to the controller. He was named controller for Thailand operations in 1969 and resided in Bangkok.

He, his wife Marlene and their two children, Paul and Ellen, currently reside in Falls Church, Virginia.

JOHN M BLUE

Navy Fireman Recruit John M. Blue, son of Mr. and Mrs. John J. Blue of 1907 Verona Avenue, Lake Villa, Illinois graduated from recruit training at the Naval Training Center at San Diego.

A former student of Grayslake High School, Grayslake, Illinois, he is scheduled to report to Electrician's Mate A School, San Diego.

HOCKEY IN FULL SWING AT CAMP HASTINGS YMCA

Saturday, February 17, Camp Hastings YMCA Senior Hockey Division team, coached by Don Brooks, again met the Westosha Hockey Association team. Both teams did a lot of hard hip and shoulder checking. It was a well skated game with outstanding play by both teams. In the first period Westosha opened with two quick goals. The second period saw Dave Bogaerts go to the penalty box for tripping. A strong Penalty killing team for Hastings, Ken Bloom, John Long, Bill Brooks and Wayne Brooks, held the Wisconsin team scoreless. The Camp Hastings Penalty killing team again held Westosha from scoring in the third period when Jeff Meier was penalized for holding the puck. Although the Camp Hastings YMCA defense stopped Westosha after the 1st period, the offense could not rally and went down 2-0.

Sunday, February 18, at Camp Hastings brought another exciting display of hockey. The Bruins and Hawks of the junior division met at 1:00 p.m. Both teams were eager for a win. The first period with Bob Skopek in the nets for the Hawks and Gary Wiczorek for the Bruins was scoreless. The second period with Tom Surrock in the nets for the Hawks came alive with Chuck Bogaerts putting the Hawks on the scoreboard. Glen Samson with two goals and Paul Steiert with one goal put the Bruins in the lead 3-1. Jim Cullen started the third period in the nets for the Hawks. Despite two penalties against the Hawks, Bob Kelly for cross checking and Devin Murphy for tripping, their strong defense held the Bruins scoreless during the shorthanded playing time. Later in the period Chuck Bogaerts scored again for the Hawks and Wayne Brooks for the Bruins - Making the final score 4-2 Bruins. Gary Wiczorek played a fine goal for the entire game for the Bruins.

In the Senior division at Hastings, the action really began with Bob Rendo in the nets for the Kings and Doug MacKinder for the Kings. In the first period Jeff Meier of the Kings sneaked one past Doug MacKinder, one minute later Wayne Brooks put one in for the Jets. Mike Cullen came forth to put another one in for the Kings. Dave Bogaerts came back with a tie up goal for the Jets. From here on the Jets took over, Dave Bogaerts getting his second goal and Jim Walsh scoring to give the Jets a 4-2 win.

Director of the Camp, Hank Bessler and Head Coach George Skopek feel the boys are coming

along well and their improvement should be evident in the next game. A Big Thank You to the Lake Villa Fire Department and Chief Erwin Barnstable, Sr. for their help in making the ice. Weather permitting, Hockey will be played next week!

SEN. KARL BERNING NAMED TO FIVE SENATE COMMITTEES

Senator Karl Berning, Rep. Deerfield, has been named to serve on five standing committees of the Senate in the 78th General Assembly.

Republican committee assignments were announced by Asst. Senate Majority Leader Howard R. Mohr. Sen. Berning will serve on the Pensions and Personnel; Agriculture, Conservation and Ecology; Appropriations; Executive; and Local Government committees.

Earlier Berning was designated to serve as Chairman of the Pensions and Personnel committee.

Jack Fields accepts check for \$200.00 from Pres Reckers, Vice President of the State Bank of Antioch. Jack swam 30 miles in the Waukegan YMCA Swim-A-Rama. The swimmers are: First Row: G. Bessette, C. Amundsen, C. White, B. Mueller, J. Houghton, D. Houghton. 2nd Row: T. White, L. Gallagher, T. Bessette, R. Jacobson, J. Schmidt, C. Auxier, J. Schmidt. 3rd Row: Pres Reckers, J. Fields, L. Fields, K. Mandehr, E. Auxier, M. St. Pierre, M. Bessette, F. Bessette and T. Jacobson. (Staff Photo)

315 MILES SWAM BY ANTIOCH SWIMMERS

On January 26th at 6:00 p.m. the SWIM-A-RAMA had begun. In a 48 hour period twenty-four Antioch residents on the Waukegan YMCA Swimteam were going to try to swim 320 miles. All but five miles were accomplished. The response was tremendous both by the sponsors and the swimmers performance.

The purpose of this event was to raise money for the Waukegan swimteam. The money is going toward 3 purposes: 1) swimteam transportation to meets, 2) swimteam expenses, and 3) pool equipment.

A business or an individual could pledge or donate any amount of money in return for a specified amount of miles to be swam. In a Swim-A-Rama there are to be swimmers in the pool

at all times during the 48 hours.

The top boy swimmer from Antioch was Jack Fields, age 12, with 30 miles and the top position for the girls was a tie between Lynda Fields, 13, 16 miles and Kathy Mandehr, 13, with 16 miles also.

The other 21 swimmers were as follows: Chuck Auxier, 12, 21½; Mark Haley, 13, 20½; Frank Bessette, 14, 20; Eva Auxier, 13, 15½; Mary St. Pierre, 13, 15½; Margaret Bessette, 12, 15; Tim Jacobsen, 14, 15; Kim Klopp, 15, 15; Ted White, 9, 14; Craig White, 8, 12; Theodore Bessette, 10, 11½; Carl Amundsen, 8, 10½; Steve Haley, 11, 10; Darrin Houghton, 12, 10; Judy Houghton, 10, 9½; Johnny Schmidt, 9, 8½; Jenny Schmidt, 11, 8½; Rusty Jacobson, 11, 6½; George Bessette, 8, 6; Beth Mueller, 10, 6; Leslie Gallagher, 8, 5.

The Antioch swimmers received a total of \$1,348.10 in pledges and donations. The entire team swam 1,245¼ miles and they hope to raise close to \$4,000 for their effort.

The team is very grateful for the following Antioch sponsors:

The State Bank of Antioch; First National Bank of Antioch; Antioch Drugs, Leo J. Fox Excavating; John Teresi Chevy-Olds; Shoe Box; Stanleys, Dick Witt State Farm Insurance; The Sewer; Walsh's All Seasons; Barnstables; Jewel; Ben Franklin; Tiffany Real Estate; Antioch Carpets; Pittman Pontiac; Roy Witek Insurance; Lakeside Restaurant; Charming Products; Gody Girls; BJ's; Lake Area Barber Shop; The Little Gallery Card Shop; True Value Hardware; Cornelius Real Estate.

With a Stern Eye

No one else would call at such an hour, I fumed as I ran dripping from the tub to the phone - the king-size towel flapping behind, steam surrounding me like a foggy envelope. I was right. It was The Crabby Lady From Lake Avenue - that follower of local governments - that tormenter of local officeholders.

"I was sure you wouldn't be tied up at this time of night," she began at once. "And I have a number of things I want to take up with you. I noticed in tonite's paper that your friends on the County Board have banned nude dancing in our county's taverns. Is that right?"

"Yes. They passed an ordinance this morning..."

"What did it say?"

Even as I shivered I could feel the blush extend from head to heel. "Oh I couldn't possibly... It was very explicit indeed. Uh - if you would like to read it we have it on file in our office..."

"You've always had a tendency to be evasive, Mrs. Stern. Shifty, my husband calls it."

"Oh please don't say that. Anyway it isn't true. It's just that that particular ordinance refers to parts of the anatomy that I can't even pronounce and..."

"All right. All right. What it means is that our bars and taverns will be safe for plain wholesome folks like myself, right? No more naked women disporting themselves - wriggling and..."

"Right. No more of that. At least not where liquor is served. In an ice cream parlor you can have girls dancing in no more than a smile - but not where liquor is served." There was an extended pause during which I could hear nothing but my own teeth chattering. "It was good talking to you," I said finally, thinking to return to the vapors of my bath, "And if you want a copy of that ordinance..."

"In an ice cream parlor? Really?"

"Well yes, I guess so. It only mentions revoking the liquor license in those taverns in the unincorporated areas under the jurisdiction of the County Board. I don't imagine there would be much business for..."

But she was off on another tack. "I was listening to the broadcast of the County Board

meeting the other day - you really are a very boring reader, by the way - and I heard Mr. Balen say that what with all those annexations, the shape of Waukegan is like that of an egg thrown against the wall."

"Yes, he did say that. It was a nice turn of phrase I thought - graphic and -"

"Does it really look like that?"

"Yes I'd say so. We've been working on drawing new precinct lines and some of those fingers jutting out - quite bizarre."

"Will anyone really appoint a special State's Attorney to shepherd the thing through the courts? Or will it be politically expedient to let them just hang there - Sam Smith and Mike Graham - with their bare majority?"

"Hard to say. I have great faith in Judge Van Deusen's fair impartiality -"

"It doesn't make any difference Mrs. Stern, what you think about anybody's fair impartiality - it will all turn on good old-fashioned pragmatism."

"Now just a minute there. I can't buy -" I was overtaken by an involuntary shudder. "Look - I've dripped dry, standing here and am just about immobilized with cold. Why don't you call me tomorrow at the office and I'll give you all the information I can. Okay?"

"I have other things to do in the daytime than call the County Clerk's office. Just answer this before you brush me off. And by the way, I'll remember the lousy treatment I'm getting next time I go to the polls." I sighed. "How come you Democrats are giving Bob Depke a pass again this year - putting a third candidate into the field to split the opposition in Warren Township. You know, don't you, that you're just easing him back in as Supervisor by having Rosemary Kuklinski file?"

"We didn't - That is, Rosemary wouldn't listen. I mean, they feel so strongly out there that they can't see."

"Horsefeathers! I understand Pat Clavey is involved in this thing. Next thing you know Depke will be back on the County Board. And it will be No More Mr. Nice Guy, you can be sure of that! When Bob gets back -"

"No more Mr. Nice Guy, you can be sure of that! When Bob gets back..."

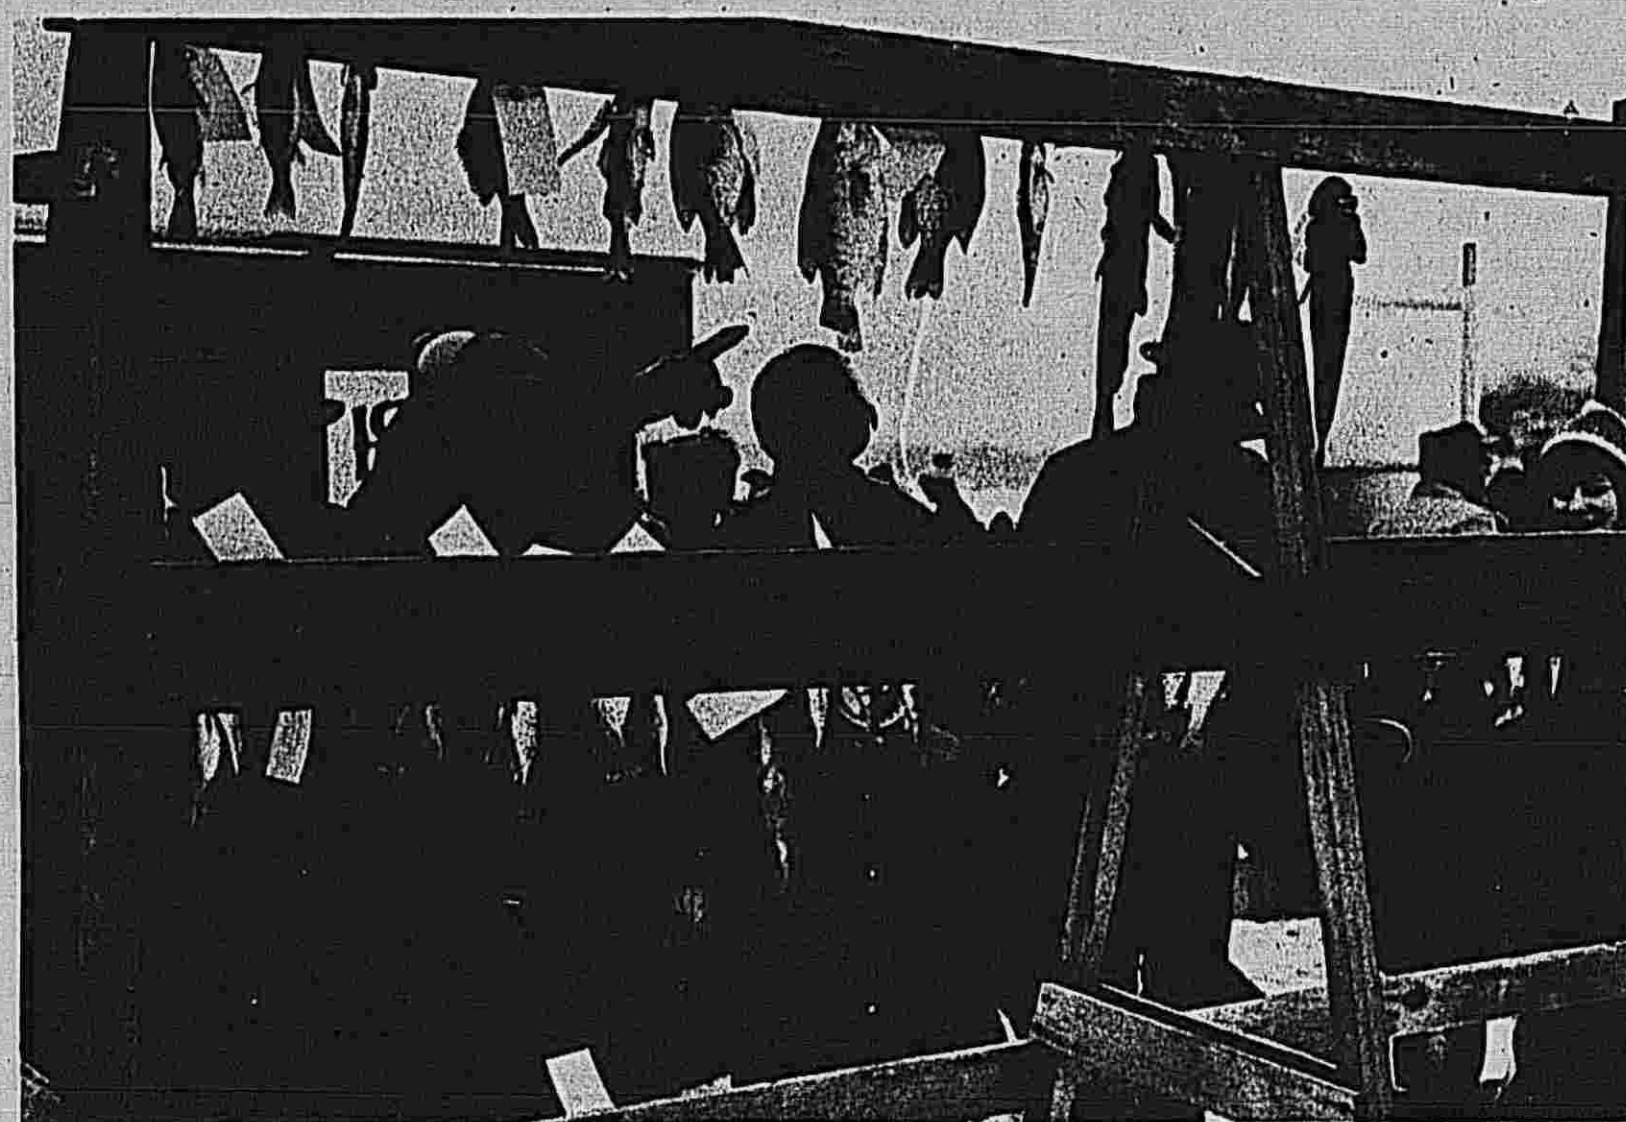

"No more Mr. Nice Guy??? Bob Depke??? It was too much. I wrapped the clamoring telephone snugly in the towel and hurried back to the tub. Perhaps on some future evening I would feel more like a public servant..."

The world is divided into three classes:

1. The few who make things happen
2. The many who watch things happen
3. The overwhelming who have no notion what happens

(l to r) Ann Waters, Maria Furman, Clarence Larson, Elaine Rockow, Jean Rockow and Dave Bushing demonstrate their cooking talents as they were the cooking crew at the Ice Fishing Derby last weekend. The Northern Illinois Conservation Club and the 885 Civic Club joined forces to make the event possible. (Staff Photo)

Looking over the many fine catches that were reeled in during the Ice Fishing Derby last weekend. The Grand Prize winner, Grace Budro of Chicago won a snowmobile. Winner of the Color TV was J. F. Hitchon of Antioch. The Las Vegas trip was won by Vera Christianson of Waukegan. The snowmobile trailer went to Ray Egan of Antioch and the His and Hers snowmobile suits went to Harold McCord of Lake Villa. (Staff Photo)

OAKWOOD KNOLLS SPONSORS SKATING DERBY

The Oakwood Knolls Association will sponsor their First Annual Skating Derby on Sunday, February 25th, starting at 12 noon, at the subdivision beach. The entry fee will be 25 cents and contestants will be grouped into four categories: ages 7 and under, ages 8 to 12, ages 13 to 18, and ages 19 and over. There will be various types of races including long races and an obstacle race. Winners will receive blue ribbons.

The Antioch Village Board has agreed to plow the ice, weather permitting of course.

WAUKEGAN SPEEDWAY DRIVERS PLAN UPCOMING SEASON

Waukegan Speedway's late model sportsman drivers will hold their fourth meeting Wednesday Feb. 14th at Bonnie's Coffee Shop in Zion.

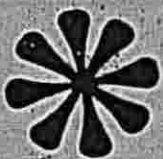

These drivers have agreed upon the race dates and prize money for the coming season. At this meeting some of the rules will be discussed along with some safety points.

The sportsman cars and drivers will begin their Saturday night season April 7 at Waukegan with over 30 cars forecast for the opening date. Among the early entries are George Carrett of Zion ('65 Chevelle), Ed Smith of Gurnee ('64 Ford); John Gonzales of Macomb ('67 Chevelle); Don Elgass of Ingleside ('69 Torino); Dave Horst of Wadsworth ('69 Chevelle); Ken Hamann of Waukegan ('68 Camaro); Chuck Bostick of Waukegan ('64 Ford); Ted Richter of Libertyville ('67 Chevelle) and J.P. Gatti, Jr. of Chicago who is readying two 1969 Camaros.

Meanwhile some of the late super stock drivers and track officials are in the Daytona area for the 15th Annual Daytona 500. Former track champion Ray Young of Dalton will race in six dates at the New Smyrna Speedway. Lee Schuler of Lockport, winner of three features last season at Waukegan will make these six races and the Annual Florida 100 at Sunshine Speedway near St. Petersburg.

The late model super stock class will open a Sunday night

slate starting May 6. Interest is running high among many of the drivers who missed the second half of last season due to a driver and owner boycott last July 2.

ROBERTS, LARSEN AND SHAFER ADVANCE TO SECTIONALS

John Roberts and Keith Larsen won championships at the IHSA District held at Antioch last week-end and along with Steve Shaffer who finished second at 132, advance this week to the sectional tournament to be held at Evanston. As a team Antioch was in contention the entire tournament. Going into the Championship round Antioch trailed by 6½ points 33½ to North Chicago's 40. John Roberts victory at 98 pounds over North Chicago's Dale Johnson added 6 points for Antioch to 3 for North Chicago. Dennis Thain's 3rd place victory at 105 added 3 more points to Antioch's total making the score Antioch 42½ North Chicago 43 going into Keith Larsen's match at 119 against North Chicago's Lonnie Parker. After a scoreless 1st period, Parker escaped in the

2nd period to take a 1-0 lead. In the third period Larsen was frustrated time and time again but his persistence paid off as he reversed Parker with 1 second left to gain the 2-1 victory, the Championship at 119, and to put Antioch in the lead 48½ to 46.

According to Coach Ded DeRousse this was the first time Antioch has ever led in a District, but the lead was short lived. Antioch's Steve Shaffer faced another North Chicago wrestler in the finals at 132. Although Steve was leading 6-2 in the last period in a late flurry of action he was out scored 7-1 and lost a close 9-7 decision. This last minute reversal put North Chicago back in the lead and the momentum swung back to North Chicago as they won 3 out of their next four matches and Antioch lost all four. The

closeness of the tournament was now demonstrated as Antioch tumbled all the way to 4th behind Waukegan and Zion-Benton.

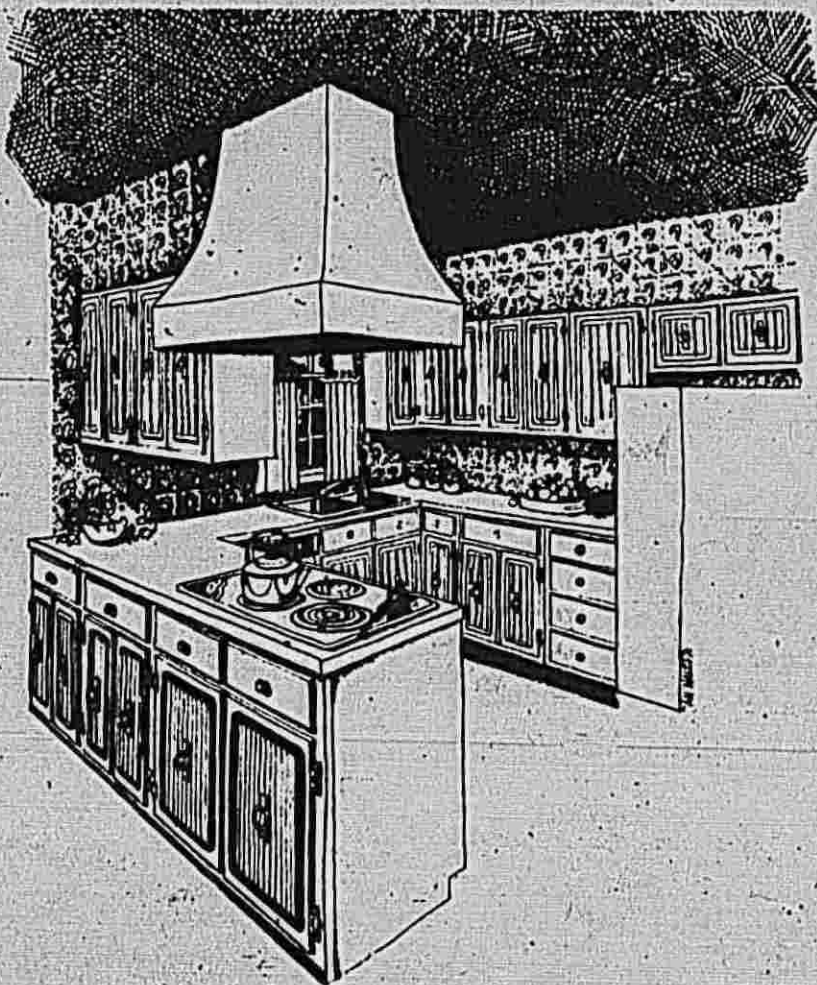

Other place winners for Antioch included Dennis Thain 3rd at 105, John Thain 4th at 138, Andy Feldman 4th at 145, and Tom Rayniak 3rd at Heavy-weight.

Of all the wrestlers advancing from the Antioch District the outstanding wrestlers appear to be John Roberts Antioch and Dale Johnson of North Chicago at 98 lbs, Keith Larsen of Antioch and Lonnie Parker North Chicago at 119 and Doug Richards of Waukegan at 185 lbs. The sectional at Evanston next week appears to be the toughest in the state this year and fans will be able to see many of the state's finest in action. Sessions at Evanston are scheduled for 7:30 Friday evening, 1:30 and 7:30 p.m. on Saturday.

CLASS AA BASKETBALL TOURNAMENT IN CHAMPAIGN

Five Chicago area teams will be among the eight teams vying for the state championship March 23-24 when the Illinois High School Association Class AA basketball tournament takes place in Champaign.

Illinois Bell and Western Electric will co-sponsor the tournament telecast on WGN-TV. Now in its 66th year, the tournament was split into two tournaments last year. The final rounds of Class AA tourney, for the 290 schools with an enrollment of more than 750 students, will be held March 23-24. The Class A tournament finals, for the 471 schools with

750 fewer students, will be determined the preceding week-end.

With the two tournament structure, the Chicago Public League Champion and four Chicago area schools will be guaranteed berths in the Class AA quarter final rounds in Champaign, March 23.

MORE ON GRADE SCHOOL BASKETBALL TEAMS

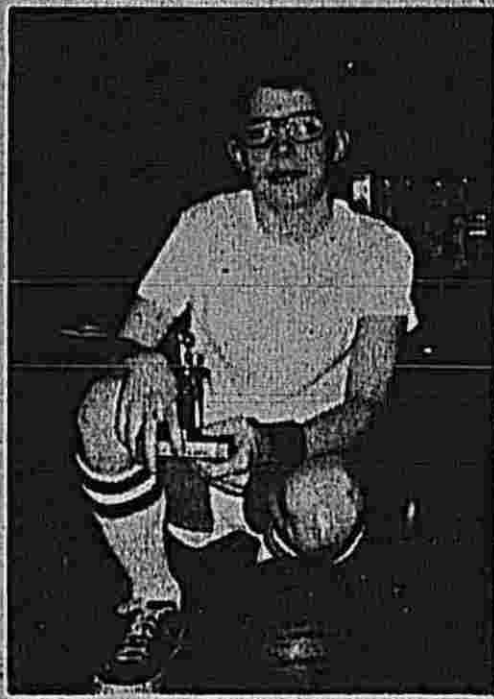

When basketball is spoken of here in the Village of Antioch, most people immediately think of the Antioch High School's Varsity Sequoits. However, there are many other teams that are alive and well in our community.

For instance, Emmons grade school maintains both a 7th and 8th grade team, although there are some 7th graders on the 8th grade team and some 5th and 6th graders on the 7th grade team.

Mike Mitchell, who is young and industrious, coaches both teams, and has been doing a nice job. In conference play the 8th grade team stands 4-1 and in overall play 7-3. The 7th grade team stands 3-2 in conference play.

Mitchell, who has been at Emmons for the past 4 years, said the 8th grade team was well balanced, but lacked some of the depth he has seen in former years. 7th grader, Tracy Sodman is the team's most consistent player. Bill Dubeck adds up the points with his good shooting, while John Eden acts as floor general, setting the tempo of the game. John Kakacek and Terry O'Brien both support the team offensively. Bob Dubeck, who is on the Freshman Squad at the Antioch High School has been giving Coach Mitchell and his boys a hand.

For the past two years the basketball team at Emmons has been undefeated, however, recently they broke their record when they lost to Grass Lake, 40-35. A similar record of 67 all sport straight victories was

**ROTH TAKES 1st
PLACE IN PE TEST**

Al Roth, 7th Grade student at St. Peter School in Antioch, displays his trophy of excellence and basketball he won for taking first place in the Catholic Schools of Lake County Physical Education Test. The test was based on body strength and coordination. Another test will be given in May.

Mr. Ralph Bufona is co-ordinator of the program for all catholic schools in Lake County.

broken during football season at the school this year.

Mitchell is in charge of the entire athletic program at the school, which includes, flag football, basketball, softball, and some invitational cross country, wrestling and track meets.

The girls are not forgotten at Emmons as they play on both a conference volleyball and softball team, playing against such opponents as Milburn, Grass Lake and Lotus and Spring Grove.

Grass Lake is not without a basketball team, as their Braves can be seen dribbling victoriously down many a court. Coach Robert Van Doran coaches the A-team, whose record is 5-2 in conference play. The team has only one more game scheduled this season, but they hope to add a few additional games to the season. Recently, the Braves lost to the Antioch Upper Grade School, and are now hoping for a re-match. Coach Van Doran said they lost to the Upper Grade School on a Monday, which is one of the worst days. They practice every night of the week from 3-5 and by Friday night they are really in shape. So needless to say they are hoping for a Friday night re-match.

Grass Lake also has a softball team and a football team, which incidently, went undefeated last season.

St. Peter's basketball team is another notable team. The eighth grade team, which is coached by Reed Ano and Bob Huebner, took second place in the Salem Christmas Tournament, they also took 2nd place in the North Lake County League. They are presently holding a record of 5-7 in the Northwest Catholic Conference. The 7th grade team holds a record of 7-5 in the Northwest Conference and both teams

SEQUOITS 75 — GRAYSLAKE 63

The Antioch Sequoits traveled to Grayslake for a conference game and returned home with a fine 75-63 victory. The Sequoits led from start to finish, getting much stronger as the evening progressed. It was a fine display of team work, and the good play enabled all the squad to play.

With the offense clicking, the Sequoits hurried to a 20-14 lead at the end of the 1st quarter. In the second quarter, the Sequoit offense worked well, but their over-all game broke down. They failed to work well on defense, failed to box out for rebounds and made some foolish turnovers.

At half time, Coach Andrews reminded the team of the fundamentals of the game. He stated to the squad, "Three

things we do well, play defense, box-out for rebounding and play at the tempo we usually do, that is most effective for us." Do these things and win yourself a basketball game." This is exactly what the Sequoits did, in the next 13 minutes the Grayslake Rams were able to score only 14 points as the Sequoits were rolling up 28 points and lead by 20 points. At that point Andrews substituted with all the players entering the game.

The team had great balance, not only in scoring, but in the rebounding department too. There were four players in double figures in scoring and three in double figures in rebounds. The team work really showed up in the assist chart too, as Tim Mieure had 8 assists closely followed by Mark

Andrews with 6 assists.

A very pleased Coach Andrews stated "I was extremely happy with the team play in the second half." They did what they do best - excellent defense, very good offense tempo and controlled the boards." "Their offense play was good through the game, with each player hitting the open man with fine passes."

The Sequoits next game will be at Wauconda on Friday, Feb. 23.

GRASS LAKE ENDS EMMONS DOMINANCE

After running a winning streak through two and a half basketball seasons, Emmons was dropped by Grass Lake and School 40-35. Emmons earlier this year saw an undefeated string in all conference sports snapped by Grass Lake and again fell victim to their arch rival.

The Raiders trailed throughout most of the contest. Tracy Sodman hit the opening basket to give Emmons a 2-0 lead. Grass Lake came right back and led 8-6 after one period.

The two teams played even during the second stanza, with the half-time score 13-11 Grass Lake.

After Emmons pulled even at 17-17 Scott Nohava took control. The second half belonged to Nohava and his team mates from that point on. Nohava alone outsourced Emmons during the third period. He notched five field goals as he and his team mates out scored Emmons 12-6.

That was the ball game. The forth quarter saw the tempo of the game change from a deliberate style to wide open run and gun game.

Nohava led all scorers with 24, while Steve Lass added 9. The losing Raiders were led by Bill Dubek with 10, while Terry O'Brien and John Kakacek added 8 and Tracy Sodman 7.

In the preliminary contest Emmons downed a stubborn Grass Lake team 24-19. Mike Volling led the Raiders with 7 points and Dave Sheedlo

have only three more games to play.

Touch football made its debut at St. Peter's this year and did a great job under the direction of Marty Zupan. The team won 6 and lost 1.

ANTIOCH SOPHOMORE BASKETBALL

The Antioch Sophomore Basketball team won its 19th game of the season Friday night by defeating Grayslake 71 to 30. Antioch jumped out to a commanding lead in the first few minutes and continued to pull ahead throughout the remainder of the game. It was one of the best offensive efforts of the season for the sophomores and except for short periods in the game it was a fine defensive effort.

Russ Albano led the scoring with 22 points followed by Kevin Walpole with 14 points. Ten other plays contributed in the remainder of the scoring game. The sophomores next game will be this Friday at Wauconda.

"TORK" TALKS

by: Tork Torkelson
IMPORTANT MAINTENANCE AND SERVICE TIPS
(Continued from last week)

3. Your New Car-Warranty: Protect your warranty coverage - check your owner's manual or dealer to learn what, when, and how much service will be required. Check into the owner's manual about towing limitations, cold-weather starts, proper fuels to use, fluids and filters needed to meet specifications of the people who made your car.

4. Mechanically inclined? Take Advantage of "Do-It-Yourself" Features:

If you're so minded, and like things mechanical, there are a number of do-it-yourself maintenance jobs you can handle yourself. Some manufacturers now offer manuals to show you step-by-step operation - and even offer tool kits for the home-garage mechanic. This can save you money, too.
